

WHAT IS AN APPRENTICESHIP?

The Apprenticeship programme provides you with an opportunity to earn while you learn. As an Apprentice, you will spend time both in College and in the workplace learning new skills and training alongside experienced staff, which will lead to a nationally recognised Apprenticeship. At the end of the Apprenticeship you will have acquired job specific skills and the ability to perform your job competently; you may also have achieved qualifications which are recognised by your chosen profession.

VENUE AND DURATION OF COURSE:

The Apprenticeship programme will take place both at East Surrey College and at the workplace and will run for approximately 2 years, one day a week, and if required, an additional day of English and/or Maths.

ENTRY REQUIREMENTS:

5 GCSEs grade 9-3 (A*-D) that include English and Maths. You must be employed in a barbering or unisex salon for a minimum of 24 hours a week. It is essential you have the right mind-set for working full time and studying at the same time. Having a can-do attitude, being flexible and reliable are also important. You must also be able to communicate effectively with others.

WILL I GAIN ANY QUALIFICATIONS?

The Apprenticeship Standard you are studying is a qualification in its own right. Some employer groups have asked for formal qualifications to be achieved as part of the apprenticeship programme. These will be listed below along with any units or topics delivered and forms of assessment.
