- Employability and Personal Development
- English and Maths

COURSE DESCRIPTION:

Level 1 (NCFE CACHE) Diploma course is designed as an introduction to the childcare sector. It will help you develop the personal skills and qualities needed to work in the childcare sector. This course offers an introduction to a wide range of areas linked to childcare such as child development, health and safety and planning activities for children for children under the age of five. As part of the course, you will undertake real life work experience within a childcare setting to develop the skills need to work for children and will develop your own professional development.

This course covers many sensitive and personal subjects and therefore students will be required to carry out some personal reflection on attitudes and behaviours. It is important to be emotionally balanced and resilient to cope with these situations and the demands of working with vulnerable people.

UNITS/TOPICS COVERED:
