

EGX UK's Biggest Games Event

A group of Games Design Level 3 students were delighted to be able to put knowledge into practice during their exciting trip to EGX The UK's Biggest Games Event.

With the opportunity to explore the stalls, try out different games and speak to various games development companies, students loved receiving valuable careers advice, as well as feedback on their portfolios from employers.

NEW CAREER AHEAD

It was full swing at the Job Fair this year where we were pleased to welcome over 70 local employers to the College such as Nutfield Priory, Kier Construction, Camp Glide, Hamleys, Nandos and many more fantastic names alongside over 30 airport-based employers from Gatwick Airport! The event offered over 1,000 jobs from full-time, part-time and shift work vacancies. Students and the general public were invited to discuss job opportunities, career routes and available roles. It was great to hear and see everyone interacting with employers throughout the day. A big thank you to all that visited!

Royal Botanic Gardens Kew

We were delighted to see Reigate School of Art students Conor O'Hagan and Nathan Shank, second year UAL Film/Creative Media Level 3, create a fantastic short promo working with Royal Botanical Gardens, Kew. This short video showcased the art students' willow and tissue paper lanterns work for this year's Glow Wild Winter Lantern Festival at Wakehurst Place.

Thank you to all the Reigate School of Art students, who were involved in the project.

SLEEPING ROUGH

It was great to see staff and students trading their comfy beds for sleeping bags, as they took part in the YMCA England & Wales Sleep Easy!

Students from Public Services and ESOL spent the night at College in cardboard shelters, to raise awareness of the dangers of rough sleeping, and managed to raise a fantastic £600 for YMCA East Surrey!

We were also delighted to welcome Deputy Mayor, Cllr Frank Kelly, who came to encourage the students and thank them for their support.

Great work to everyone involved.

# Apprenticeships

National Apprenticeship Week  
5 to 9 March 2018

We're

supporting

National

Apprenticeship

Week

#NAW2018

A big thank you to all the employers who came in to speak with and inspire students throughout National Apprenticeship Week including:

- SES Water
- Canon UK
- Govia Thameslink Rail and many more.

We were pleased to see a wide variety of organisations speaking to students about the benefits of Apprenticeships.

If you would like to find out more about Apprenticeships visit our friendly Employer Services team in Client Services today!

Health & Social Care and Access to Nursing students were able to have a great hands-on workshop with Medical Mavericks to gain a glimpse of careers in the medical field. Testing out a range of equipment including ultrasound machines, retina scanning on a phone, and practising taking blood from a fake arm were amongst the areas they got involved in.

Thank you to Medical Mavericks for coming in and showcasing the opportunities available within medical careers.

## GET YOUR BRUSHES READY @ M·A·C

Stepping away from the classroom, Fashion and Media Make-Up Level 3 students were taken to the iconic M·A·C Cosmetics store in Central London as part of their course, learning all about progression routes and career opportunities available in the industry.

It was great to see students getting involved in their very own camouflage body painting session gaining the unique hints, tips and techniques from industry leading professional Make-Up artists at M·A·C.

Great job!

We were thrilled to welcome Artcoop, who put on a stunning Private Art Viewing, exhibiting sculptures, paintings, photography and videos in the Winter Garden throughout April. Artcoop are a growing group of emerging and established artists curated locally, from London and ESC.

## TECHNOLOGY LIKE NO OTHER

We are pleased to have launched our new Augmented Reality Welding Workshop featuring state-of-the-art Augmented Reality training equipment based in Gatton Point South! The introduction of Augmented Reality Welding equipment to our workshop will enable students and Apprentices to become proficient in welding techniques and skills, providing detailed visual feedback on performance. If you haven't already, go take a look!

## COMPETITION WINNER!

Congratulations to Level 1 Carpentry and Joinery student, Aaron Storr who won 1st place in an internal competition testing students' ability to create a gallows bracket.

Aaron plans to continue his work as a Carpenter within the next few years and develop his passion further.

Great Job Aaron!

WHATEVER  
MOVES YOU  
DO IT FOR SPORT  
RELIEF

SPORT  
RELIEF

It was great to see team spirit

and competitiveness as the College hosted a variety of activities in aid of Sport Relief!

We were delighted to welcome Superfunk Rollerdisco who put on a fantastic afternoon of skating, music and fundraising! Sports students also ran a variety of activities, including Tug of War, Futsal, a Fun Run, Basketball and Dodgeball.

Thank you to all staff and students involved, it was great to see everyone taking part, **fundraising a total of £202!**

# TRIP TO THE BATTLEFIELDS

Public Services students travelled across the Channel to explore the famous battlefields of the First World War. Everyone began their historic visit to Belgium at the Ypres Battlefield, with a moving Last Post ceremony as night fell.

It was great to hear the group enjoyed their trip and were able to bring new meaning to the work they are studying.

Thank you to everyone who was involved in the recent College Photoshoot. It was fantastic to see so many students take part, and we really couldn't have done it without you.

Photos will be used across a range of marketing materials over the coming months!

Thank you from the Marketing team - Don't forget to keep your eyes peeled!

## Reigate School of Art

We are coming up to that time when Reigate School of Art students have the opportunity to showcase their work in the end of year Diploma Show. Why not come along to the public showing from:
