UNIVERSITY LEVEL COURSES
2019/20
### Higher Education at East Surrey College

All our courses are designed to provide you with the skills and knowledge required to develop a career within your chosen industry.

You will benefit from highly personalised learning to ensure you stay motivated and inspired. Teaching staff have strong industry experience and work to develop links with businesses and professional organisations to enhance your learning.

The College works in partnership with the University of Chichester on our Foundation and Degree programmes, meaning students are awarded their degree from the University upon graduating.

*At the time of going to print, all courses are subject to registration approval with the Office for Students.*

### Why Higher Education?

Completing a degree can open the door to a whole new career allowing you a chance to study a subject you are interested in and boost your career prospects and earning potential.

Higher Education (HE) offers a diverse range of courses and qualifications at Level 4 and above that can be studied Full-time or Part-time.

### Types of Qualifications

- Honours Degree Top-Ups
- Foundation Degrees (FdA or FdSc)
- Higher National Diplomas (HNDs)
- Higher National Certificates (HNCs)
- Professional Courses
- Higher and Degree Apprenticeships

### Access to Higher Education

Access to Higher Education diplomas are a great way to prepare you to study at degree level. They are designed to prepare adults for University entry. If you are keen to get back into education after taking some time out or you left school without the qualifications needed then an Access to HE course is for you.

At East Surrey College, we offer a range of access diplomas in subjects within health related professions, sciences, construction and engineering.

If you’re aged 19 or over you can now study on an Access to HE course and pay no upfront tuition costs by taking out a government loan called the Advanced Learner Loan.

*For more information, visit: [www.esc.ac.uk/fees-and-student-loans](http://www.esc.ac.uk/fees-and-student-loans)*

APPLY: Full-time courses via www.ucas.com (Until Clearing 2019)

APPLY: Part-time courses directly via www.esc.ac.uk

---
Elliott was awarded ‘Outstanding STEM Apprentice’ at the SATRO Awards in September 2018. Whilst completing his Engineering Maintenance Apprenticeship, Elliott studied an HNC in Electrical and Electronic Engineering at the College. Throughout his Apprenticeship, he had the chance to work in different areas and progressed to employment as a Baggage Technician at Gatwick Airport Limited.

Despite having no background in IT, Kerrin left his job as a cab driver and applied for the Internet Software Development FdSc at ESC opening him up to a new career path. His motivation and passion for the course shone through and Kerrin became student rep, engaging with the student management side of the course. Kerrin now works at Canon UK as a Remote Software Engineer.

Sophie joined East Surrey College to study a Level 4 Art & Design Foundation Degree. She went on to study Illustration at Norwich University and celebrated the launch of her book, ‘Alienated’, in September 2018 at Reigate Library. The book, which is available on Amazon and at Waterstones, tackles the subject of autism in children.

Studying at ESC gave me the opportunity to explore other creative options and diversify my portfolio.

Luca joined the College with the intention of improving his skills and becoming more fluent in English. He started on Level 1 ESOL and AAT Accounting, progressing on to Level 4 AAT; and successfully achieved his Professional Diploma and Level 4 Apprenticeship.

Luca was invited by AAT to attend a gala awards evening celebrating student success, and was the only student at the ceremony who is able to use the letters MAAT and AATQB after his name. He is now working as an accountant and is also studying an ACCA – (MA) at London Bridge Institute in London and an MA at Kaplan.

The course is intense, exciting and crazily fulfilling with a superstar tutor.

My qualification was evidence to potential employers that I had the ability to learn and I had the technical proficiencies to carry out technical tasks and requirements to a high standard.

The lecturers have come from industry, so you receive skills and experience from people who know it best. Completing College projects whilst relating them to work and being able to make a change was really rewarding.

My qualification was evidence to potential employers that I had the ability to learn and I had the technical proficiencies to carry out technical tasks and requirements to a high standard.

The lecturers have come from industry, so you receive skills and experience from people who know it best. Completing College projects whilst relating them to work and being able to make a change was really rewarding.
HOW TO APPLY

FULL-TIME HIGHER EDUCATION COURSES:
Applications for Full-time courses must be made via www.ucas.com – until clearing is entered on 30 June 2019.

PART-TIME HIGHER EDUCATION COURSES:
Applications for Part-time courses must be made direct to the College via www.esc.ac.uk.
Application forms are also available from the College via Client Services: 01737 788444.

STUDENT LOANS AND FINANCIAL SUPPORT
East Surrey College’s Client Services team offer advice on a one-to-one basis on financial matters; including details of fees, student loans and any bursaries.

Full-time and Part-time students from the UK/EU who are studying for a Higher Education course can apply to the Student Loans Company (www.slc.co.uk) for a Tuition Fee Loan for the full amount (this will be paid directly to the College). Additionally, Full-time UK students can apply for a Maintenance Loan (to help towards the cost of living). Part-time students are also eligible for a Maintenance Loan if they are studying an Undergraduate/Initial Teacher Training (ITT) course or a Postgraduate Certificate of Education (PGCE).

Evidence of an approved loan must be provided at enrolment in the form of the Payment Advice letter provided by the Student Loans Company. Further details of how to apply for a Student Loan can be found at: www.direct.gov.uk/studentfinance.

If you are not eligible for financial support you will need to pay for the course directly which could include a contribution from your employer.

ART, DESIGN & MEDIA

FASHION & TEXTILES BUSINESS DEVELOPMENT
Higher National Diploma (HND)
DURATION: 2 years, Full-time DELIVERY: 2 days a week FEE: £6,165 per year ENTRY REQUIREMENTS: One A Level or BTEC National qualification in a relevant subject. Mature students are considered if they have a strong portfolio or industry related CV.

COURSE CODE: AADF2412XA UCAS CODE: WW23

This HND course offers a vocational route into the Fashion and Textile industry. It is aimed at those who have aspirations to work in a Fashion, Interior or Textile role but want an alternative qualification to exclusively design. You will have access to retailers, trade fairs and experts in the relevant fields. This course focuses on giving a broad knowledge and understanding of the roles associated within the industry through research, presentation and practical skills alongside business and marketing, showing how they interconnect.

PHOTOGRAPHY
Higher National Diploma (HND)
DURATION: 2 years, Full-time DELIVERY: 2 days a week FEE: £6,165 per year ENTRY REQUIREMENTS: A creative portfolio of work in Photography or a related Art & Design subject. Applicants will be expected to have either a Foundation Diploma in Art & Design, an Extended Diploma in Art & Design, Photography or Creative Media, or two A Levels. Mature applicants will be considered if they show a strong portfolio of work.

COURSE CODE: AMEF1HDPXA UCAS CODE: 046W

This course enables you to learn and practice all of the skills needed to kick start a career in photography. You’ll be taught the creative use of photography through the exploration of contemporary photographic practice including critical and contextual studies. A key aim of the course is to help you build a personal and creative portfolio of work allowing you to progress onto your chosen pathway.

GRAPHIC & DIGITAL DESIGN
Higher National Diploma (HND)
DURATION: 2 years, Full-time DELIVERY: 2 days a week FEE: £6,165 per year

ENTRY REQUIREMENTS: A Foundation Diploma in Art & Design, BTEC or National Diploma in an Art & Design related subject, or alternatively, an A Level in Art & Design with grade 4 (C) or above will be considered.

COURSE CODE: AADF1HGDXA UCAS CODE: 022W

This course is designed to enable you to develop as a Graphic Designer with a skill set which will allow you to work within a digital environment and respond to the fast changing world of communication. You will acquire a range of transferable skills, enabling you to operate autonomously or as part of a team. You will have the chance to deliver projects that explore conceptual ideas and encourage the development of craft, both physically and digitally.

SOUND & MUSIC PRODUCTION
Foundation Degree (FdA)
DURATION: 2 years, Full-time DELIVERY: 2 days a week FEE: £7,500 per year

ENTRY REQUIREMENTS: One A Level or National Diploma in a relevant subject. Mature students with a suitable background will also be considered. You will be required to bring a portfolio of work.

COURSE CODE: AADF1X13XA UCAS CODE: W374

This Foundation Degree is set within the context of contemporary production practice and aims to develop both technical and critical skills. Course modules are delivered by a team of experienced lecturers, all of whom are current industry practitioners. You’ll have the chance to learn about the principles of sound, how to operate in the recording studio and the use of computers in music creation. You will also study the history of the developments of music, influences of music, event management and entrepreneurial approaches.
THEATRICAL, MEDIA & SPECIAL EFFECTS
MAKE-UP
Higher National Diploma (HND)
DURATION: 2 years, Full-time
DELIVERY: 2 days a week
FEE: £5,165 per year
ENTRY REQUIREMENTS: Two A Levels in a relevant Media or Art based subject. Range of GCSEs grades 9-4 (A*-C) and a portfolio of work, or an equivalent qualification in Level 3 Theatrical Make-Up or equivalent BTEC/UAL qualification. A risk assessment is required for those who are pregnant or suffer from asthma.
COURSE CODE: AADF2X17XA
UCAS CODE: W852
This creative course provides an insight into the fast-paced and diverse world of media make-up and associated special make-up effects, offering a range of skills and career options. You will gain the skills and knowledge required through practical sessions and theory, through art and contextual studies in theatrical, special effects make-up, prosthetics and hair styling with the ability to specialise in a chosen pathway.

BUSINESS MANAGEMENT
Foundation Degree (FdA)
DURATION: 2 years, Full-time
DELIVERY: 2 evenings a week
FEE: £7,500 per year
ENTRY REQUIREMENTS: 64 or more UCAS points and GCSE English and Maths at grade 4 (C) or above.
COURSE CODE: B6ME2X13XA
UCAS CODE: N105
Take the first steps towards a rewarding business career with this Foundation Degree.

INTERNET SOFTWARE DEVELOPMENT
Foundation Degree (FdSc)
DURATION: 2 years, Full-time
DELIVERY: 3 days a week
FEE: £7,500 per year
ENTRY REQUIREMENTS: 160 or more UCAS points or A Levels/BTEC equivalent in a relevant subject area.
COURSE CODE: BBMF1410XA
UCAS CODE: 1160
If you’re looking to build confidence using and managing IT, gain new opportunities or develop software solutions, this course is for you. You’ll learn how computer-based technologies relate to software development, gaining knowledge of general computing techniques such as client and server-side scripting, database design and implementation using SQL. We will introduce you to a selection of current Internet technologies like Web Server configuration and control which form an integral part of the course reflecting life in the world of work.

CONSTRUCTION
CIVIL ENGINEERING
Higher National Certificate (HNC)
DURATION: 2 years, Part-time
DELIVERY: 1 day a week
FEE: £3,082 per year
ENTRY REQUIREMENTS: Two A Levels or BTEC National Diploma/Certificate in Construction. An equivalent professional qualification or previous experience in the industry.
COURSE CODE: TCOP2X2AXA
The world is full of building and infrastructure projects that couldn’t happen without Civil Engineers. Our HNC in Civil Engineering course has a strong work-related emphasis and will provide you with the skills needed to progress to professional and management roles in the industry, building key concepts and practical skills required by employers in the civil engineering and construction sector.
You’ll have the opportunity to apply critical reasoning and analyse techniques to solve engineering problems using industry standards and appropriate codes of practice.

CONSTRUCTION
Higher National Diploma (HND)
DURATION: 2 years, Full-time
DELIVERY: 2 days a week
FEE: £6,165 per year
ENTRY REQUIREMENTS: Two A Levels at grade C or above, Maths being essential, or BTEC National Diploma/Certificate in Construction. An equivalent professional qualification or previous experience in the industry.
COURSE CODE: TCOP15COXA
This course is a partially work-related course and is ideal for those wanting to continue their training to become a chartered surveyor, site manager, architectural technician, estimator or local authority inspector within the industry.
You will be required to analyse real construction sites in order to give a practical dimension to projects and assignments, typically working in small groups to present ideas within a facilitated group setting. Your assignments are designed to help you develop personal qualities such as working on your own and in groups.

CONSTRUCTION
Higher National Diploma (HND)
DURATION: 1 year, Part-time (Top-Up)
DELIVERY: 1 day a week
FEE: £6,165
ENTRY REQUIREMENTS: For the top-up a HNC in Construction.
COURSE CODE: TCOP2X29XA
This programme incorporates a combination of traditional classroom teaching, open learning, demonstrations, use of surveying equipment and group activities.
Ideal for those looking to continue their training to become a chartered surveyor, site manager, architectural technician, estimator or building control officer.
EARLY YEARS

Foundation Degree (FdA)

**DURATION:** 2 years, Full-time

**DELIVERY:** 1 afternoon and evening a week

**FEE:** £6,165 per year

**ENTRY REQUIREMENTS:**
Level 3 in Childcare and GCSE in English and Maths at grade 4 (C) or above. Minimum of two years’ experience in the sector.

**COURSE CODE:** BSEE1412XA

**UCAS CODE:** X315

Working with children is a challenging yet rewarding career which carries many responsibilities and a need for up-to-date in-depth knowledge and understanding of many aspects of child development.

This course is designed for those looking to develop and take the next step and progress in their career as an Early Years Practitioner.

With combined theoretical study and practical work, you will develop an understanding of child development and reflective practice, as well as explore topics such as working in partnership with families, understanding children’s behaviour, learning through play and safeguarding.

**EARLY YEARS**

**FOUNDATION DEGREE (FdA)**

**DURATION:** 2 years, Part-time

**DELIVERY:** 1 day a week

**FEE:** £3,082 per year

**ENTRY REQUIREMENTS:**
Two A Levels, or equivalent in Maths and another technical subject, normally Physics. Level 3 BTEC, National Certificate, Diploma or Extended Diploma in Engineering. Mature applicants will be considered by interview.

**COURSE CODE:** EENP2X35XA

**UCAS CODE:** E315

You’ll have the chance to study the fundamentals of Electrical Power Engineering by learning all about electronics, electrical engineering, power engineering and the maintenance, design and manufacture of electrical power systems and networks.

This course is ideal if you are working in the Electrical Power Industry, as a Network Power Engineer, Utilities Engineer, Infrastructure Engineer or Power Utilisation Engineer wanting to further your technical knowledge, concepts and skills ready for senior roles.

**ENGINEERING**

**ELECTRICAL/ELECTRONIC ENGINEERING**

Higher National Diploma (HND)

**DURATION:** 2 years, Part-time

**DELIVERY:** 1 day a week

**FEE:** £3,082 per year

**ENTRY REQUIREMENTS:**
Higher National Certificate in Engineering

**COURSE CODE:** EENP2X32XA

Gain the hands-on experience needed to advance a career in Electronic Engineering. This HNC course will allow you to develop the ability to analyse and solve electronic engineering problems, apply practical knowledge and understanding to digital electronic circuits and devices, electrical systems, fault finding and control systems.

You will have the chance to top-up your HNC to a Level 5 HND to further your skills valued by employers.

**ELECTRICAL POWER ENGINEERING**

Higher National Certificate (HNC)

**DURATION:** 2 years, Part-time

**DELIVERY:** 1 day a week

**FEE:** £3,082 per year

**ENTRY REQUIREMENTS:**
Two A Levels, or equivalent in Maths and another technical subject (normally Physics), Level 3 BTEC, National Certificate, Diploma or Extended Diploma in Engineering. Mature applicants will be considered by interview.

**COURSE CODE:** EENP241DXA

**ENGINEERING**

**ELECTRONIC ENGINEERING**

Higher National Certificate (HNC)

**DURATION:** 2 years, Part-time

**DELIVERY:** 1 day a week

**FEE:** £3,082 per year

**ENTRY REQUIREMENTS:**
Two A Levels, or equivalent in Maths and another technical subject (normally Physics). Level 3 BTEC, National Certificate, Diploma or Extended Diploma in Engineering. Mature applicants will be considered by interview.

**COURSE CODE:** EENP2X32XA

Gain the hands-on experience needed to advance a career in Electronic Engineering. This HNC course will allow you to develop the ability to analyse and solve electronic engineering problems, apply practical knowledge and understanding to digital electronic circuits and devices, electrical systems, fault finding and control systems.

You will have the chance to top-up your HNC to a Level 5 HND to further your skills valued by employers.
MECHANICAL ENGINEERING
Higher National Certificate (HNC)
DURATION: 2 years, Part-time
DELIVERY: 1 day a week
FEE: £3,082 per year
ENTRY REQUIREMENTS:
Two A Levels, or equivalent in Maths and another technical subject (normally Physics). Level 3 BTEC, National Certificate, Diploma or Extended Diploma in Engineering. Mature applicants will be considered by interview.
COURSE CODE: EENP241EXA

This course is designed to support the progression into relevant areas in Mechanical Engineering or provides a flexible route to degree study and a recognised qualification.
The course is for you if you would like to work as a technician/technician engineer in mechanical engineering design, manufacture, maintenance and testing.

SPORT
SPORT (COACHING & SPORTS DEVELOPMENT)
Higher National Certificate (HNC)
DURATION: 1 year, Full-time
DELIVERY: 2 days a week
FEE: £6,165
ENTRY REQUIREMENTS:
160 or more UCAS points, equivalent of two A Levels at grade C or above (with P.E. or a Science as essential) or a BTEC Level 3 Extended Diploma in Sport/Sport Sciences achieved with MPP or above.
COURSE CODE: BSEF1410XA
UCAS CODE: S201

The HNC in Sport (Coaching & Sports Development) has been developed to provide you with the knowledge and skills required for current and future success in the sports industry, focusing on the theoretical and practical aspects of Sports Coaching and Development.
You will study a range of topics including, Sports Coaching Theory and Practice, Anatomy, Physiology, Psychology of Sports Coaching, Physical Activity, Lifestyle and Wellbeing.

TRAVEL & AVIATION
AIR TRANSPORT OPERATIONS MANAGEMENT
Foundation Degree (FdA)
DURATION: 2 years, Full-time
DELIVERY: 2 days a week
FEE: £7,500 per year
ENTRY REQUIREMENTS:
Two or more A Levels, or equivalent National Diploma/160 or more UCAS points. Mature students without the above qualifications are welcome to apply to this course if they have sufficient professional experience.
COURSE CODE: BHBE2412XA
UCAS CODE: N853

This professionally-focused specialist degree course develops the skills, knowledge and understanding that provide a comprehensive education in the business and operational practices of the aviation industry. It is designed for people working in, or intending to work in, the airline and airport sectors.
HIGHER & DEGREE APPRENTICESHIPS

A Higher or Degree Apprenticeship can be the start of your exciting new career. You can gain a higher level qualification, while also gaining invaluable ‘on the job’ experience.
You will need to have a job with a contract of employment for at least 30 hours per week, or have a firm offer of employment in your chosen occupational area.

► ACCOUNTING HIGHER APPRENTICESHIP
  Part-time - 18 Months  Course Code: W112D

► BA (HONS) MANAGEMENT/CHARTERED MANAGER LEVEL 6 DEGREE APPRENTICESHIP
  Part-time - 4 Years  Course Code: W1429

► CARE LEADERSHIP AND MANAGEMENT HIGHER APPRENTICESHIP
  Part-time - 2 Years  Course Code: W1228

► CONSTRUCTION MANAGEMENT HIGHER APPRENTICESHIP
  Part-time - 2 Years  Course Code: W123E

► EMBEDDED ELECTRONIC SYSTEMS DEGREE APPRENTICESHIP
  Part-time - 5 Years  Course Code: W141A

► ENGINEERING HIGHER APPRENTICESHIP
  Part-time - 2-3 Years  Course Code: W123F

► HUMAN RESOURCES MANAGEMENT HIGHER APPRENTICESHIP
  Part-time - 2-3 Years  Course Code: W1127

► OPERATIONS/DEPARTMENTAL MANAGER HIGHER APPRENTICESHIP
  Part-time - 2-3 Years  Course Code: W124F

► SOFTWARE DEVELOPER LEVEL 4 APPRENTICESHIP
  Part-time - 2 Years  Course Code: W124D

PROFESSIONAL COURSES

Studying for professional qualifications can help you develop the skills you need to impress employers in your chosen job or industry, and for some careers they are an essential next step.

► AAT ACCOUNTING PROFESSIONAL DIPLOMA LEVEL 4
  Part-time - 18 months  Course Code: BM1412XA

► CARE LEADERSHIP AND MANAGEMENT LEVEL 5
  Part-time - 12-18 months  Course Code: BSEP2X10OA

► CIPD CERTIFICATE IN HUMAN RESOURCE MANAGEMENT LEVEL 5
  Part-time - 6-8 months  Course Code: BM1415XA

► CIPD DIPLOMA IN HUMAN RESOURCE MANAGEMENT LEVEL 5
  Part-time - 6-8 months  Course Code: BM1415XA

► CERTIFICATE IN EDUCATION AND TRAINING (CET) LEVEL 4
  Part-time - 1 year  Course Code: METP1412XA

► DIPLOMA IN ART AND DESIGN - FOUNDATION STUDIES LEVEL 4
  Full-time - 1 year  Course Code: F1FDAA

► DIPLOMA IN EDUCATION AND TRAINING (CET TO DET) LEVEL 5
  Part-time - 1 year  Course Code: METP1411XA

► FAST TRACK DIPLOMA IN EDUCATION AND TRAINING
  Part-time - 1 year  Course Code: METP1414XA

► THERAPEUTIC COUNSELLING LEVEL 4
  Part-time - 2 years  Course Code: BSEP1X35XA
