

AHT REGIONAL EVENT

This February we were excited to host the Southern Area Association of Hairdressers & Therapists (AHT) Regional Heats which had colleges from across the South East competing for a place in the finals!

The Winter Garden and Beauty Salons were transformed into a fantastic creative display of body paint, eye shadow and hair ornaments, as the competitions ran throughout the day.

We are extremely proud of all our students who took part and delighted to see that 18 awards were won by ESC students who will now go on to the National Finals in Blackpool this March!

Well done to all those who participated in each category and showcased their talents against tough competition.

STUDENTS ON SITE

Kier Construction Group welcomed our Carpentry & Joinery and Painting & Decorating Level 1 students to one of their sites at The Warwick School in Redhill.

The students toured the site and had the chance to see the theoretical elements of their course in the context of a real-life building site. This was a great opportunity for students to gain valuable insight into the different job roles and their importance at each stage of the construction process.

Let's get creative

Art & Design Level 3 students at Reigate School of Art put their talents to use on a client brief for Sandcross Primary School in Reigate.

Students designed colourful paintings for the school's library, inspired by the first lines of famous books including Harry Potter, The Cat in The Hat, The Hobbit and Green Eggs and Ham.

Great work!

ACTIVITY PROGRAMME

SPRING TERM

Try out a new and exciting activity for FREE! Choose from a range of enrichment activities including Mini Tennis, Archery and Mixed Martial Arts! **To book email: enrichment@esc.ac.uk**, or pop into the Activity Hub (Room D115).
If you want to relax and play games, make new friends, visit the Activity Hub today.

FROZEN-THEMED CELEBRATIONS

Fashion & Media Make-Up
Level 3 students enjoyed a trip to The Grange at Bookham, to provide hair and make-up for a Frozen-themed celebration at the centre!

Students had the opportunity to practise their skills, interact with clients and gain valuable work experience within their industry.

3...2...1... ACTION!

Last term students across Reigate School of Art had an exciting opportunity to use the creative and technical skills they are learning on a live brief to support Include, a charity supporting people with communication difficulties. Students created films, animation and sound recordings for an educational package the charity was putting together to educate healthcare professionals on communication difficulties. The clips were filmed by students on Art & Design Level 1, with sound recording by students on Sound & Music Production Level 3.
Well done to all students who got stuck in. We're looking forward to seeing the completed project!

NATIONAL APPRENTICESHIP WEEK

#LookBeyond

A big thank you to all the employers who came in to speak with and inspire students throughout National Apprenticeship Week including:

- Viridor
- AirBorn International Ltd
- Ashcroft Care Services

We were pleased to see a variety of organisations speaking to students about the benefits of Apprenticeships and discussing the range of careers available within their industries.

If you would like to find out more about Apprenticeships, visit our friendly Employer Services team in Client Services today!

View the current Apprenticeship vacancies, online at www.esc.ac.uk/apprenticeship-vacancies

The sky's the limit

Thank you to easyJet captain and trainer, Kate McWilliams, who came to speak to our Aviation Level 2 and 3 students! Our students were inspired by Kate's journey to become the world's youngest female captain, and took the opportunity to ask questions, including Kate's toughest descent, what she loves most about the job and ways to make their applications stand out.

CONSIDERING YOUR NEXT STEPS?

Stay close to home and continue your studies at ESC. We offer a range of University Level qualifications from HNCs, HNDs, FdAs, Higher and Degree Apprenticeships.

We work in partnership with the University of Chichester on our Foundation and Degree programmes, meaning students are awarded their degree from the University but will study at East Surrey College and be one step closer to getting that dream job!

Pick up a copy of our NEW 2020-21 guide from reception or visit www.esc.ac.uk to find out more!

If you are from a household with income of £25,000 or less, you may be eligible for a £1,000 cash bursary in your first year.

OPEN EVENT

Know anyone looking at colleges for this September?

Our next Open Event is taking place this June, open to everyone! Pre-register your place today. It's quick and simple!

Visit our website today www.esc.ac.uk.

Saturday 13 June 2020 // 10:00 – 13:00

Stripey Stork

Our Life Skills students gained valuable work experience at Stripey Stork, a local charity collecting new and pre-loved items for babies and children for families in need.

Students volunteered their time sorting clothing donations and checking through books, puzzles and games and were pleased to have the opportunity to get involved in the community.

CONTACT LENS VISIT

Theatrical, Media & Special Effects Make-Up HND and Art & Design Level 1 students enjoyed an interactive visit from contact lens specialists Garth and Teresa from Cantor Nissel, who shared their industry experience about the lenses they've used within the media industry!

The students learnt about the correct way to handle lenses on film and TV sets, and heard about project for James Bond films, Game of Thrones and Peaky Blinders.

Thank you to Cantor Nissel for coming in and teaching our students.

SAFE DRIVE STAY ALIVE

We were delighted to see many students take part in the safety initiative, Safe Drive Stay Alive, learning all about the importance of staying safe on the road.

Congratulations to Motorsports Level 3 student Harvey Neill, for being selected to win a £50 Amazon voucher for signing up to receive road safety information and driving updates.

If you would like to find out more visit: www.safedrivesurrey.org

Safer Internet Day

On 11 February, we celebrated Safer Internet Day, a campaign with the mission to make the internet safer for all users.

We were pleased to see students participating in tutorial sessions and activities at the College, finding out how to manage their online identity and how the internet can affect their perception about themselves and others.

To find out more about online safety, visit www.saferinternetday.org.uk

Voted
1st

**Across Surrey &
Sussex by Businesses
for Employer
Satisfaction**

As a training provider we are proud to announce that we have been voted 1st for employer satisfaction among Further Education (FE) Colleges in Surrey and Sussex in the 2019 FE Choices survey completed by employers both large and small.

WELDING PRACTICE

Our Welding Apprentices put their industrial skills into practice in a real-life scenario working on a project for the Motor Vehicle department.

The Welding Apprentices created a rack for tool storage and a roll cage for the Motorsport car from spare welding materials!

Well done and thank you to those involved!

ESOL students' local visit

A group of ESOL Level 1 Business students thoroughly enjoyed putting their knowledge into practice during their trip to Donyngs Leisure Centre in Redhill.

Students were able to see how the skills learnt at College can be applied within the workplace, through chatting to the staff about the skills needed for communicating with customers and the processes for dealing with complaints.

REACHING NEW HEIGHTS

Public Services Level 3 students have been overcoming new obstacles, taking part in a three-week qualification course with the National Indoor Climbing Award Schemes (NICAS) programme at White Spider Climbing Centre.

Students learnt elements of equipment safety, climbing techniques, belaying and knot tying, whilst developing key life skills such as communication, perseverance and strength.
