

READY FOR LIFT OFF!

Cabin Crew Level 2

had a great time at the British Airways Safety Equipment & Procedures (SEP) Awareness Day! They took part in practical exercises such as emergency evacuation procedures, firefighting, slide descent and dealing with dangerous goods.

Students went home with a certificate and a feeling of excitement about the career path ahead of them!

Representing GB in Abu Dhabi

Well done to our **Life Skills student** Luke, who took part in the Special Olympics World Games Abu Dhabi 2019, representing Team GB!

He competed in the cycling races and was awarded 4th place in the 10K time trial, 3rd in the 5K and 2nd in the 10K road race (just 3 seconds off the gold medal). Congratulations Luke!

APPRENTICE SUCCESS

Two of our Engineering Apprentices have been awarded the prestigious Engineering Horizons Bursary by The Institution of Engineering and Technology (IET)!

James and Liberty are working towards their Engineering Level 3 Apprenticeship qualifications, whilst working at Gatwick Airport and were pleased to receive their Bursary awards at the IET Awards Event at the end of February this year.

Congratulations!

SCIENCE MUSEUM TRIP

Motor Vehicle Level 2 students had the opportunity to visit London's Science Museum this term! Students discovered exciting feats of engineering and learnt about many scientific principles that are applied in the engineering field. This all helped consolidate their learning and engineering projects at College!

STUDYING A DEGREE CLOSER TO HOME COULDN'T BE EASIER!

Explore your options at ESC! We offer HNCs, HNDs, Foundation Degrees and Higher/Degree Apprenticeships in a range of subject areas, with lower fees than universities. Pick up a copy of the guide from reception or browse the course listing at www.esc.ac.uk.

WHERE NEXT?

If you've been thinking about your next steps, don't forget our Student Support team are on hand to help you with your progression decisions. Drop into Client Services to find out more about:

- Higher Education options
- Apprenticeships
- Staying on at ESC
- Finding a full-time job
- Work experience opportunities
- Additional Learning Support

Make-Up Medallist!

Theatrical, Special Effects & Media Make-Up Level 3 students competed in the annual Warpaint Mag competition, at the Professional Beauty industry trade show.

Students were involved, either as students or models, and congratulations to Kirsten who took 3rd place in the Disney Body Painting category, with her creative Lady and the Tramp-inspired design!

Job Fair

We were pleased to welcome over 30 employers to the College Job Fair including Hewlett Packard Enterprise, Epsom Skin Clinics, EasyJet and DHL. Students from across the College had the opportunity to speak with employers and find out about their job opportunities, career routes and available roles. Students were able to find out more about full-time employment options after College, as well as Apprenticeships and work experience.

It was great to hear and see everyone interacting with employers throughout the day.

A big thank you to all that visited!

Grundfos Pumps Talk

A big thank you to global manufacturer Grundfos Pumps for coming in to speak with our **Plumbing Apprentices!**

Tom and Ellis presented new products, which included heating circulators, shower pumps and macerators and demoed their phone app which identifies pumps with a photo and immediately suggests a replacement!

Summer Workshops

We're delighted to launch a range of one-day workshops at the Reigate School of Art this summer.

Workshops take place throughout July, so why not take a look, share with friends and family and book your place today!

Visit www.esc.ac.uk to find out what is on offer.

FUNDRAISING FOR THE YMCA

ESOL students have been busy organising and taking part in various fundraising activities, raising money for the YMCA!

The campaign began with games and a raffle in the Winter Garden, which counted towards their 'Contributing to Running an Event' module. On Friday 26 April, they were joined by students from John Ruskin College, as they spent a night at College for the YMCA Sleep Easy, a national YMCA fundraising initiative raising money to help change the lives of vulnerable young people.

Their evening was spent constructing cardboard shelters and playing games, as well as meeting Cllr Frank Kelly and Lee Fabry, from YMCA East Surrey, who commended the students on their hard work! Fundraising total: £520!

OPEN EVENT

**SATURDAY
15 JUNE 2019
10:00-13:00**

Spread the word! If you know someone who is considering Full-time or Part-time courses, Higher Education or Apprenticeships then share details of this event!

It's a great opportunity to meet staff, take a tour around the facilities and even fill out an application form.

Save time on the day and pre-register a place today!

PRE-REGISTER AT WWW.ESC.AC.UK

MOTORSPORT GO-KARTING TRIP

Motorsport Level 3 students tested their driving skills on Tuesday 2 April at TeamSport Karting!

The trophy for fastest lap completion went to Jack, Automotive

Technology Level 3 Apprentice, with an impressive 28.53 seconds! He was closely followed by Luke, Motor Sports Level 3, who crossed the finish line at 28.88 seconds!

ESC'S INTERNATIONAL KICKBOXING STAR!

Well done to **Stephanie Killick, Sport Level 2**, who triumphed at the 2019 Irish Open International Kickboxing Competition! She was placed first in the 16-18 50kg light contact category; and also regularly represents Team GB internationally!

GCSE Contingency Exam Date

Be Prepared - All examination boards have included a contingency GCSE exam date this year, which has been set by the government. This date will be used if a significant, unexpected event arises nationally or locally during the exam period such that no students (or a large number of them) are able to take an exam when planned. You will need to be available on this date should there be an unexpected event.

Taking it all in at the Tech Park

Business, IT, Engineering and Applied Science students recently visited the Tech Park at the University of Chichester which was an opportunity to discover new engineering and creative technologies, and discover progression routes at our validating university.

Students were treated to a tour around the facilities and completed teamwork activities, such as building a container from paper and using a leaf blower to shoot plastic balls!

AHT AWARDS SUCCESS!

Hair & Beauty students celebrated success at the Regional Heats & National Finals of the Association of Hairdressers and Therapists (AHT) Awards!

Well done to all students involved, whether as artists or models, with the following students winning awards:

Charlotte Creasy & Clara James – 3rd place in 'Team Bridal' at the South East Regional Event
Kirsten Massingham – 3rd place in 'Body Painting – Nursery Rhymes' at the National Final.

PLUMBERS LEARN FROM INDUSTRY EXPERTS

Plumbing students, across Levels 1, 2 and 3, welcomed Resideo from Honeywell Homes who spoke about different heating systems available in the industry and led an exciting practical thermostat wiring exercise.

Students enjoyed being able to apply and test their industry skills!

A WIN ON THE BASKETBALL COURT!

Congratulations to the **ESC Basketball Team** for their 46 - 23 win over Reigate College! The match saw fantastic performances all round, with Film & TV Level 3 student Savvik named as Man of the Match.

ORBITAL SOUTH COLLEGES

Reigate School of Art students will be decorating the Winter Garden with their creative pieces of work for their annual Diploma Show exhibition!

Come along on **Wednesday 13 June between 18.00 - 21.00** to explore the fantastic work on display and support fellow students!

Good luck to everyone exhibiting!
