

COURSE INFORMATION:

Apprenticeships

Wood Occupations Level 2 Intermediate Apprenticeship Site or Bench
Carpentry 2016/17
Course Code – W1FWDA

What is an Apprenticeship?

The Apprenticeship programme provides you with an opportunity to earn while you learn. As an apprentice you will spend time, both in College and in the workplace, learning new skills and training alongside experienced staff, which will lead to nationally recognised qualifications. At the end of the Apprenticeship you will have acquired job specific skills and the ability to perform your job competently; you will also achieve qualifications which are recognised by your chosen profession.

Venue and duration of course:

The Apprenticeship programme will take place both at East Surrey College and at the workplace. The programme will run for approximately 24 months.

Entry requirements:

There are no formal entry requirements for an Apprenticeship but you must be in paid work for a minimum of 30 hours per week. It is essential you have the right mind-set for working full time and studying at the same time. Having a can-do attitude, being flexible and reliable are also important. You must also be able to communicate effectively with others.

What qualifications will I get?

The Apprenticeship is made up of a number of qualifications that you will receive, which includes:

- The Diploma in either Bench Joinery or Site Carpentry (Construction) Level 2
- NVQ in Wood Occupations level 2
- English Functional Skills Level 1
- Maths Functional Skills Level 1
- Employment Rights and Responsibilities
- Personal Learning and Thinking Skills

Learners with GCSE results A - C in the relevant functional skill are exempt from this element of the framework as they already have sufficient level of achievement. Learners with GCSE results D – E in the relevant functional skill will be entered for Level 2 in that particular functional skill.

Course description:
