Why choose Higher Education?

Higher Education is an investment in your future. Our courses are designed to equip you with the skills and experience that employers are looking for, to help you stand out from the crowd.

Our aim is to make sure that you leave us with a valuable university level or professional qualification to progress in your career.

Our tutors have a wealth of industry experience and we engage with businesses and professional organisations to enhance your learning.

Who we work with

Our Foundation Degree and Honours programmes are awarded by the University of Chichester, ranked 21st (top 20%) by the Guardian University League Table 2022. We also work with selected institutions to provide high quality teaching and qualifications.

Key benefits

- // Excellent facilities
- // Great transport links from London and across the South East
- // Industry experienced tutors
- // Lower fees than universities
- // Small class sizes
- // Flexible entry requirements

Professional Courses

We also offer a range of part-time level 4-5 professional courses related to specific occupations which are regulated and awarded by professional bodies within the relevant industry.

To view visit: www.esc.ac.uk/part-time-courses

Higher & Degree Apprenticeships

The College works with local employers to provide a wide range of level 4-6 Apprenticeships combining work with study for an academic or professional qualification relevant to the industry.

To view current Apprenticeship vacancies visit: www.esc.ac.uk/search-current-vacancies
