Dear Students and Parents

As we reach the first half term at college, I would like to congratulate you on maintaining 90% and above attendance at college. We know that excellent attendance means students are far more likely to both achieve their qualifications, and to access higher grades which puts them at an advantage when it comes to progression choices.

It also means a lot to your peer group and to your teachers that you demonstrate dedication and commitment to your studies with us. Well done and have a fantastic term break!

All the best
