Music Performance & Production

Welcome to Reigate School of Art

We offer a wide range of creative courses for school leavers (16-18).

As a specialist creative arts school, students will be inspired to find like-minded people to share in their creative process. Students will be guided to develop their own style through a combination of industry-focused courses, excellent facilities and inspirational expert tutors.

Turning Creativity into Careers

Reigate School of Art is extremely well located to access work opportunities across London and the South East, where 45%* of the 3.3 million creative industry jobs are located. The UK's creative industries are now recognised as world leading and are growing faster than the UK economy as a whole with over 1.9 million people working directly in the creative industries.

- Business for Creative Industries

Subject Documents

Please take the time to look through the resources that have been included for each of the course areas. Our course leaders have put these together for you to enjoy engaging with and gain a flavour of the type of content that is offered on the courses.

We hope that you enjoy learning from home and that you and you loved ones and friends remain safe.

Work Submission

Once you have completed your project, please forward the document (or if you have been working on a project offline eg a sketchbook portfolio please forward a photo of what you have completed) to the following email address along with your full name: submissions@esc.ac.uk. We'll then forward this on to our curriculum teams who will be in touch shortly.
