

BUSINESS & PROFESSIONAL STUDIES DEPARTMENT

Kirsty Penfold | Director of Learning Business and Professional Studies
E-Mail: KPenfold@esc.ac.uk

Computing

Welcome to the Computing department! We currently offer courses at Level 1, 2 and 3 in ICT and Computing.

The courses are practical, work-related courses, which develop the necessary skills, knowledge and understanding to provide a sound, basic IT education. They offer experience in a range of IT skills from web design and Office applications to basic programming and hardware installation and includes practical assignments. You will learn across a vast range of different aspects of ICT and computing including mobile app development, business analytics within computing, networking, programming, virtualisation, software design and many more.

The courses offer you opportunities to progress into higher education, advanced studies or a wide scope of IT related employment opportunities such as web development, programming, hardware and software engineering.

Please see below additional research links, which may be of interest:

Work Submission

Once you have completed your project, please forward the document (or if you have been working on a project offline eg a sketchbook portfolio please forward a photo of what you have completed) to the following email address along with your full name: submissions@esc.ac.uk. We'll then forward this on to our curriculum teams who will be in touch shortly.
