Project overview

You are a Beauty Therapist carrying out essential research in order to create an overall look for a range of special occasions.

Complete the following tasks outlined below and build an online sketchbook of evidence. You may use Microsoft Word or PowerPoint if you are unable to use a sketchbook and print images.

This Project will provide you with the individual study skills in preparation for your study programme. At East Surrey College, we encourage our students to be independent learners. This means:

- Being organised
- Being self-motivated
- Being curious to learn
- Being ready to contribute to learning

Why focus on study skills? Because reflecting on HOW we learn, is just as important as WHAT we learn.

Once you have completed your project, please forward this to the following email address along with your full name: submissions@esc.ac.uk. We'll then forward this on to our curriculum teams who will be in touch shortly.
