# ORBITAL SOUTH COLLEGES

Orbital South Colleges comprising East Surrey College, John Ruskin College and Reigate School of Art is a leading Further Education group, trusted by schools and employers across Surrey, West Sussex and south London.

Together, our colleges form a substantial college group in the south east. From June 2022, the Group also includes Orbital South Colleges University Centre as the umbrella organisation for our Higher Education provision.

## OUR MISSION

**To provide inspirational, inclusive and high-quality education and training which:**

**Empowers individuals**

**Creates a talent pipeline for employers**

**Enriches our local and wider communities**

## OUR VALUES

**Quality**

**Innovation**

**Aspiration**

**Openness**

**Responsibility**

**Clarity**

# WHY CHOOSE ESC?

## Much more than just a college!

Your College life doesn't just mean achieving a new qualification. Studying at ESC will provide you with a whole range of skills and experiences to prepare you for your next steps, whether they are progressing within education or employment. Here are a few examples of why you should join us!

### STATE-OF-THE-ART FACILITIES

Our state-of-the-art campus provides fantastic teaching and enrichment facilities. Our subject areas each have their own dedicated spaces in the College, meaning you will be surrounded by relevant industry equipment and others who share your interests.

You will find all the latest audio-visual resources available for reference, along with thousands of books, magazines and online learning resources in our Learning Resource Centre (LRC).

### HIGH QUALITY TEACHING

All our teaching staff have a depth of knowledge and expertise in their fields ensuring you get the best from your time at College. Our tutors are here to encourage and support you as you explore and develop, keeping you motivated and inspired through a range of teaching methods.

### STRONG INDUSTRY LINKS

We have connections with a substantial number of local and national employers and universities, to support students in making choices which suit their interests and abilities, sustain their personal and employability development and maximise career progression opportunities into industry.

### GROWING PROVISION

We continually explore new areas that we can offer for Full-time courses and have a growing range of Apprenticeships, Higher Education and Part-time courses available. We also work closely with local schools to ensure we can meet and support the needs of those aged 14-16 on specific courses alongside their school studies.

### EXCELLENT PROGRESSION

In Summer 2021 we achieved 100% Pass rate on our Level 3 vocational courses. Our 2020/21 destination data showed that 93% of students we contacted had a positive destination after completing their qualification at East Surrey College; with the majority progressing directly to employment related to their course and increasing numbers progressing into higher education.

# STUDENT SUPPORT

We're passionate about supporting you to succeed, and we're here to help make your time here rewarding and enjoyable.

Our Client Services and Student Support teams are on hand to advise and support you during your time at College.

## CLIENT SERVICES

When you apply and enrol at ESC, our dedicated Client Services team will be available throughout the year to help and support you.

They're on hand to offer you impartial information, advice and guidance across a variety of areas, including:

- Course information, applications and enrolment
- Progression options and careers advice
- Financial information, advice and guidance
- Careers events and Higher Education fairs
- Higher Education and University support
- Safeguarding, counselling and mentoring support

## ADDITIONAL LEARNING SUPPORT

Additional support can be provided if you have a diagnosed learning difficulty or disability.

If you have an Education, Health and Care Plan (EHCP), learning difficulty or disability please let us know when you apply so we can support your needs. You will be invited to attend a support interview to help us better understand your needs and the support that you will require.

If additional support is required then a Learning Support Assistant may be allocated to work with you in class or you may be referred for specialist study support sessions.

We also hold a successful autism spectrum support group where students socialise and have opportunities to try out new activities.

## WE CAN PROVIDE:

- Access to assistive technology and software
- Assessments for exam access arrangements
- Dyslexia screening alongside recommended strategies for independent progress in learning
- Specialist support with hearing or visual impairments as well as speech and language needs

Let us know your needs by ticking the appropriate boxes on your application form and discussing this fully at your interview.

## PERSONAL TUTOR

Once you join you'll be allocated a personal tutor who will keep you updated and support you to achieve your full potential.

Your personal tutor will help you set goals, give guidance and advice on your career options including Apprenticeships, Higher Education or job applications.

## SAFEGUARDING

Keeping you safe is our top priority. All our staff are trained in safeguarding to help ensure our College is a safe place for you to study. There are many routes for students to access support both in-person and online.

Our Client Services team are always happy to help! Please call 01737 788444

We're Matrix accredited which means our staff are trained to nationally recognised standards and all enquiries will be dealt with impartially and confidentially.

We're committed to promoting the importance of taking care of your mental health and wellbeing.

Our Wellbeing Hub is full of useful links and tips for maintaining your mental health and wellbeing while working and studying.

[www.esc.ac.uk/wellbeing-hub](http://www.esc.ac.uk/wellbeing-hub)

## Careers Advice and Guidance

The Careers team offer support to help you with career planning and preparing for your key steps towards employment and work readiness:

- ✓ Exploring career pathways
- ✓ Improving your job search
- ✓ Identifying your transferable skills
- ✓ CVs & job applications
- ✓ Support with UCAS applications

[www.esc.ac.uk/about-careers-hub](http://www.esc.ac.uk/about-careers-hub)

# FINANCIAL SUPPORT

A helping hand if you need it! Happy to help anytime.

There are a number of financial support options available to you depending on your age, level of study and circumstances.

## UNDER 19?

If you are under the age of 19 on 31 August 2023 and you meet the eligibility criteria, your course is FREE. You may be required to pay a resource fee and educational visit costs, however financial support is available for those who need it (subject to family income level).

## 19 AND OVER?

Depending on the qualifications you have already gained, tuition and/or exam fees may be payable. If you are aged 19-23 on 31 August 2023 and are studying your first full Level 2 or Level 3 qualification, then you may not have to pay tuition or exam fees.

If you're 19+, you have not achieved a full Level 3 qualification and the course you are applying for is on the National Skills Fund (NSF) list, then you may also not have to pay tuition or exam fees.

For Level 2 qualification courses and below, you may not have to pay tuition or exam fees if you are unemployed and receiving a state benefit, or you are working and are on a low income (exact criteria to be confirmed by the Education and Skills Funding Agency (ESFA) in May 2023).

If you are aged 19+ studying a Level 3 qualification and are not entitled to any other waivers, you will normally have to pay course fees. Or if available, you can apply for an Advanced Learner Loan (applicable to adults studying at Level 3 or higher). The loans are managed by the Student Loans Company, and further information can be found on their website [www.slc.co.uk](http://www.slc.co.uk).

If you are using the Advanced Learner Loan to pay for an Access to Higher Education course, once you have successfully completed your Higher Education course, the Student Loans Company will write off the amount outstanding on the loan.

## FINANCIAL SUPPORT

Students from low income households, including those on benefits, may be eligible for financial support through one of our bursary support schemes. Students who are classified as a vulnerable learner may also be eligible.

Following a needs assessment, students may be eligible for financial support towards; childcare costs, resource/materials fees, kit and uniform, essential educational visits, free school meals, travel expenses and more.

Application forms are available at [www.esc.ac.uk](http://www.esc.ac.uk) or from our Bursary Coordinator, who can provide detailed information relevant to you and will assess your application to see if you are eligible for financial support.

» One-to-one support is available with our Bursary Coordinator who can give confidential information and advice about student loans, funding, bursaries and more

» Financial support may be available (subject to household income) to help cover the cost of course-related costs such as course equipment, books, lunch at college, uniforms, visits and travel expenses

## NEED MORE INFO?

You may be eligible for funding even if your personal circumstances are not mentioned above. Call our Bursary Coordinator on 01737 788444 or email [studentbursary@osc.ac.uk](mailto:studentbursary@osc.ac.uk).

## ENGLISH & MATHS

### How we support you

GCSE Maths and English are essential qualifications and form part of our Full-time programmes at East Surrey College. Whatever your future holds it is vital that you know how to communicate effectively and how to work with numbers. These skills are an integral part of everyday life, and when applying for a job or College course you will often be asked to provide evidence that you have mastered them. Therefore they are vital to your future success in progressing to other courses and in gaining employment.

We offer a variety of ways to support your learning both in and outside the classroom, through mentoring classes, revision breakfast clubs and fun competitions.

### Twisted Tales

Four winning students were awarded an MET Writers Award Trophy, a certificate, and a copy of the book where they appear as published writers.

### MEI (Mathematics in Education & Industry)

East Surrey College students excelled in the National Final of the Further Education Maths Competition.

[www.esc.ac.uk/  
full-time/english-and-Maths](http://www.esc.ac.uk/full-time/english-and-Maths)

# FINDING THE RIGHT COURSE

Unlock your potential on a course you love!

We offer courses across a range of subject areas at various levels to suit your strengths, taking you to the next level. This section is designed to help you find the right course.

## FUNCTIONAL SKILLS

Functional skills are the fundamental skills you need for work and your personal life. They can be studied as standalone qualifications or as a stepping stone to GCSEs and support progression to higher levels. You are eligible to study functional skills if you are:

- 16+, have left compulsory Full-time education or do not have an up-to-date English or Maths qualification at Level 2 (such as a GCSE)
- between the ages of 16-18 and are studying a Full-time course

## ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

If English isn't your first language, ESOL courses cover speaking, listening, reading and writing. You will be assessed before starting, to ensure you are placed on the right course level.

## GCSES

Good grades at GCSE level can make the difference when it comes to employment and opportunities for progression. They are the main qualifications taken by 14-16 year olds, and are highly valued by schools, colleges and employers.

Maths and English are particularly valued by employers and are important to be able to progress onto higher levels.

## APPRENTICESHIPS AND NVQS

An NVQ is an industry related qualification that you can study at College or at work as part of an Apprenticeship. You will learn practical, work-related tasks to help you develop the skills and knowledge to do a job effectively. You will be assessed to see the areas that need to be developed to complete your qualification. See page 15.

## BTECS

BTECs are designed for those interested in a particular sector or industry, offering a mix of theory and practice learning, including an element of work experience or a work-related project and are equivalent to 3 A Levels.

You could study a BTEC at level 2 or 3, either as a standalone course, alongside an academic qualification or as part of a wider programme (such as an Apprenticeship).

## T LEVELS

T Levels are the new career-focused qualification which gets students career ready with a focus on work placements and classroom/workshop learning. They are equivalent to 3 A Levels and will help you step straight into your chosen career, Apprenticeship or Degree. See page 16.

## YOUR STUDY PROGRAMME

As well as your chosen qualification, you'll have the opportunity to:

- » Gain your English and Maths qualifications (if not already achieved at GCSE grade 9-4/A\*-C)
- » Benefit from group and one-to-one tutorial support
- » Gain work experience and develop important employability skills
- » Enjoy a variety of enrichment activities
- » Get support with your CV, applying for a job or university and preparing for interviews

Our Client Services team are always happy to help! Please call 01737 788444

# ENRICHMENT

Make the most of your College experience

Taking part in an enrichment activity is a great way of meeting new people, learning some new skills and having fun!

## ACTIVITY PROGRAMME

You'll find a wide variety of morning, lunchtime and early evening activities you can participate in outside of your academic timetable.

This might involve taking part in sporting activities such as badminton, football, self defence or gaming; joining the Student Union committee to design the enrichment programme for the academic year; working on community or charity work; or volunteering your time to support the local community.

We work hard to provide a wide range of interesting activities for you to take part in, but we are always

open to new suggestions and ideas of activities you would like to do. All activities are free and open to all students.

## FRESHERS' FAIR

During your first term at College, you'll be invited to our Freshers' Fair event. Here you will find various exhibitors giving out information, advice and guidance about volunteering and employment opportunities. You'll also have the chance to sign up to various clubs and societies, pick up lots of freebies and get involved in fun activities.

- » There's a wide variety of free activities outside of your academic timetable
- » Meet new friends, learn a new skill and have fun!
- » Join in, boost your confidence and develop your personal skills

To find out more about enrichment visit [www.esc.ac.uk/enrichment](http://www.esc.ac.uk/enrichment)

# STUDENT UNION

Get involved and have your say!

Run by students for students, the East Surrey College Student Union is here to represent the student voice in the College.

The SU serves as a channel of communication between the student body and the College Senior Leadership Team. This helps evolve the College experience for all, ensuring students' views and opinions are included every step of the way.

The SU also supports the local community through the voluntary work they do and causes they support. We work hard to provide a wide range of interesting activities for you to take part in, but we are always open to new suggestions and ideas of activities you would like to do.

To find out more about the Student Union visit [www.esc.ac.uk/student-union](http://www.esc.ac.uk/student-union)

**CONNECT WITH US ON SOCIAL MEDIA**

Follow our social media accounts and you'll be able to keep up-to-date with what we've been up to. Be sure to FOLLOW, LIKE, COMMENT and SHARE our posts!

## OUR AIMS AND RESPONSIBILITIES

- » To ensure the student body has a running voice throughout the College
- » Fundraising for charity and for extra facilities for students
- » To strengthen the community spirit within the College

# APPRENTICESHIPS

Earn while you learn, build your skills and gain a nationally recognised qualification.

VOTED  
NUMBER 1\*  
FURTHER EDUCATION  
TRAINING PROVIDER  
IN THE UK  
2022/23

## WHAT IS AN APPRENTICESHIP

Apprenticeships are designed for students of all ages (16+) who have left full-time education and are in employment. You will be employed by a company and earn a wage whilst you learn, build your skills and gain a nationally recognised qualification.

To start an Apprenticeship programme you will need to secure employment. Training is flexible, with the majority being completed 'on the job' and the rest provided by our team at College.

## WHO CAN BECOME AN APPRENTICE?

You can start an Apprenticeship if:

- You're aged 16+
- You live in England
- You're not in full-time education

## YOUR NEXT STEPS

After completing an Apprenticeship, you could continue to train for an Advanced, Higher or Degree Level Apprenticeship, or a related vocational qualification. Alternatively, you could head to university or take a professional qualification that leads to a specialist job role in your chosen industry.

## WANT TO FIND OUT MORE? GET IN TOUCH

To receive further guidance contact our friendly **Employer Services** team. We are often developing new programmes to keep up-to-date with industry changes.

» Call us on 01737 788316 or email us at [employerservices@esc.ac.uk](mailto:employerservices@esc.ac.uk)

# T-LEVELS

## THE NEXT LEVEL QUALIFICATION

### A career-focused alternative to A Levels.

#### WHAT ARE T LEVELS?

T Levels are new Level 3 courses following on from GCSEs and are equivalent to a Level 3 vocational study programme or studying 3 A Levels. These two year courses have been developed in collaboration with employers and businesses so that the content taught meets the needs of industry and prepares you for work, further training or study.

T Levels offer you a mixture of college-based learning and 'on-the-job' experience during an industry placement of at least 315 hours (approximately 45 days).

#### ARE T LEVELS RIGHT FOR YOU?

This next level qualification is right for you if you:

- have just finished your GCSEs
- want to get into a skilled job
- like a mixture of classroom and practical learning
- want the knowledge, skills and experience to get the job you want
- are interested in spending time with employers to try out different job roles

#### HOW DO THEY WORK?

You'll spend 80% of your time in College and 20% on an industry placement, where you'll gain the knowledge and skills employers are looking for and develop a better understanding of the workplace.

T Levels consist of the following compulsory elements:

1. An approved technical qualification – core theory specialist skills and knowledge specific to your chosen occupation/career path.
2. An industry placement with an employer of at least 45 days – providing the knowledge and experience to progress to skilled employment, further study or a Higher Apprenticeship.
3. You will need 5 GCSEs grade 9-4 (A\*-C) including English and Maths; or a Level 2 diploma/extended certificate to apply at East Surrey College.

#### CAN I GET UCAS TARIFF POINTS?

Yes. Your T Level will be worth UCAS points so you can use the qualification when applying for Higher Education.

#### WHAT IS THE DIFFERENCE BETWEEN A T LEVEL AND AN APPRENTICESHIP?

T Levels are based on the same standards as Apprenticeships which are designed by employers. However, T Levels differ from Apprenticeships as T Levels prepare students for work, further training or further study. T Level students will spend most of their time in College.

» A blend of classroom learning with an industry placement

» Nationally-recognised qualification, with the top T Level grade (Distinction\*) equivalent to 3 A Levels at A\*

» Gain vocational skills for progression to skilled employment, higher study or an Apprenticeship

# ACCESS TO HIGHER EDUCATION

The Access to Higher Education Diploma is a nationally-recognised Level 3 qualification designed to prepare adults to study in Higher Education. If you are keen to get back into education after taking some time out, or you left school without the qualifications needed for University, then an Access to Higher Education course is for you.

At East Surrey College, we offer a range of Access diplomas in subjects within Health-related professions, Science and Social Work.

Our courses are designed to give you the skills and qualifications you need to apply for University.

As a student aged 19+, you may not have to pay upfront tuition fees and may be eligible to apply for the Advanced Learner Loan. The Advanced Learner Loan is managed by the Student Loans Company and is set up for students aged 19+ who want to study at Level 3 or higher. More information on eligibility for financial support and student loans can be found on page 8.

#### THINGS TO NOTE BEFORE YOU START

- You may need to pay for any external trips
- You may need to pay for additional training workshops

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"The Access course has given me the right qualifications that I need to apply for University or move on towards my next steps."*

## FUTURE CAREER PATHS INCLUDE

Biomedical Scientist  
Care Assistant  
Microbiologist  
Midwife  
Nurse  
Paramedic  
Physiotherapist  
Social Worker

➤ Access to Higher Education courses are widely recognised by UK universities

➤ Build the skills and confidence for the demands of undergraduate studies

➤ A great way to prepare adults 19+ who would like to study higher education but do not have the necessary qualifications

ACCESS TO MEDICAL SCIENCE

LEVEL 3 | 1 YEAR

144 UCAS Points (Grade D45)

**Entry Requirements:** Age 19+ only, no formal qualifications required. GCSEs grade 9-4 (A\*-C) in English and Maths, and either a full level 2 qualification or substantial work experience in a related area.

**Assessment:** Continual assessment through a range of assignments, exams and presentations.

This course is designed for adults 19+ who do not hold a suitable level 3 qualification. It is an approved route to higher level qualifications, training programmes and university degrees within the sciences and other related professions.

The Diploma is taught by subject specialist teachers who will give you an intensive one-year introduction to biology and chemistry.

TOPICS INCLUDE

- Cell biology
- Energy
- Cardiopulmonary system
- Fundamentals of chemistry
- Structure and bonding

YOUR NEXT STEPS

Once you have completed this course, you'll have the qualifications and knowledge needed to enrol on a university level course in the discipline that most interests you such as forensic science and bioscience degrees.

Whichever path you choose, you'll find a number of career opportunities in the science and medical sectors. Successful students in the past have gone on to university to study medicine, veterinary medicine, pharmacy or biomedical science.

ACCESS TO NURSING & HEALTH RELATED PROFESSIONS

LEVEL 3 | 1 YEAR

144 UCAS Points (Grade D45)

**Entry Requirements:** Age 19+ only, no formal qualifications required. GCSEs grade 9-4 (A\*-C) in English, and either a full level 2 qualification or substantial work experience in a related area.

**Assessment:** Continual assessment through a range of assignments, exams and presentations

This course is designed for adults 19+ who do not hold a suitable level 3 qualification. It is an approved route to higher level qualifications, training programmes, and university degrees within the sciences and other related professions.

On this course you'll develop sound knowledge of the healthcare sector preparing you for the first year of any health-related degree course.

TOPICS INCLUDE

- Digestion of the liver
- Musculoskeletal system
- Psychology and mental health
- The effects of stress
- Human biology
- Understanding human health and disease

YOUR NEXT STEPS

On successful completion of this course, you'll have the qualifications and the knowledge needed to enrol on a university level course.

Students on this course have previously progressed into a range of careers including nursing, midwifery, physiotherapy and other health related professions.

ACCESS TO HUMANITIES & SOCIAL SCIENCE

LEVEL 3 | 1 YEAR

144 UCAS Points (Grade D45)

**Entry Requirements:** Age 19+ only, no formal qualifications required. GCSEs grade 9-4 (A\*-C) in English and Maths.

**Assessment:** Continual assessment through a range of assignments, exams and presentations.

This course is designed for adults 19+ who do not hold a suitable level 3 qualification, and is an approved route to higher level qualifications, training programmes and university degrees.

On this course you will develop your knowledge of the theory, principles and practices of sociology, psychology, counselling and social work practice.

You will explore a range of subjects which will give a broad understanding and knowledge, and will be helpful in enhancing a wider range of career options.

TOPICS INCLUDE

- Psychology & sociology
- Social work practice
- Education
- Approaches to counselling
- Cultural studies
- Criminology

YOUR NEXT STEPS

Upon successful completion, you can apply to university to study for a degree in social work, social care, sociology, psychology, humanities and social science.

MEET KANNIKA

ACCESS TO NURSING AND HEALTH RELATED PROFESSIONS LEVEL 3

After moving to the UK from Thailand, Kannika worked as a Nursing Assistant for several years. When she decided to progress her career by going for a Nursing Degree, East Surrey College seemed the natural choice as she had previously taken her Maths and English GCSEs at the College and it offered the course she wanted.

Kannika really enjoyed her course, particularly the learning experiences, which she felt were valuable experiences in preparation for her degree.

*"The teaching is pitched at the right level so students can achieve their desired grades, and tutors fully support, encourage, and work with the students to help them succeed."*

# APPLIED SCIENCE

Are you interested in an exciting career in a scientific role? Do you want to be at the forefront of the latest scientific research underpinning modern life? Then a course in the exciting world of science is for you!

By studying an Applied Science course with us, you will broaden your scientific knowledge and skills in biology, chemistry and physics; whilst developing specialist skills that can be linked to specific areas within industry.

You'll get hands-on experience in our purpose-built science laboratory equipped with all the industry standard equipment you'll need.

#### YOUR STUDIES MAY INCLUDE:

- Exciting workshops and role-play scenarios to support your coursework
- Talks from industry professionals
- Support in applying for work experience opportunities across a broad range of industries

#### THINGS TO NOTE BEFORE YOU START

- There will be a cost for any trips
- You will be required to purchase your own laboratory coat

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"I really enjoyed the practical elements of the course, where we could place ourselves in scientists' shoes and put our skills into application."*

BENJAMIN  
APPLIED SCIENCE  
LEVEL 3

**Thinking about an Apprenticeship?**  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

#### FUTURE CAREER PATHS INCLUDE

Audiologist  
Biomedical Scientist  
Forensic Scientist  
Geologist  
Microbiologist  
Oncology Scientist  
Pharmacologist  
Radiographer  
Vet

» Develop technical skills and knowledge in our state-of-the-art laboratory

» Opportunities to work cooperatively and take part in work-based projects

» Hear from external industry speakers, such as forensic scientists and clinical nurses/doctors.

**APPLIED SCIENCE**  
**LEVEL 2 EXTENDED CERTIFICATE**  
**1 YEAR**

**Entry Requirements:** 5 GCSEs grade 9-3 (A\*-D) including English, Maths and Science.

**Assessment:** Coursework, practical assessments and external examinations.

This course will develop your understanding of chemistry, biology and physics and how they relate to real-life applications in a science workplace.

Throughout your time on this course you will have the opportunity to perform a variety of biology and chemistry experimental work, you will also learn how to work safely within a laboratory environment and how to use Maths and statistics to analyse experimental data.

This is a practical, work-related course, where you'll develop a responsible and cooperative approach, often working in small groups, presenting your findings to the rest of the class.

**TOPICS INCLUDE**

- Scientific skills
- The living body
- Principles of science
- Chemistry and our Earth
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

**YOUR NEXT STEPS**

Upon successful completion you'll have the chance to progress directly onto our Applied Science Level 3 Extended Diploma.

With further study and training you may also pursue a career in laboratory-based work such as a lab technician, forensic scientist, environmental scientist or in other science related settings.

**APPLIED SCIENCE**  
**LEVEL 3 EXTENDED DIPLOMA**  
**2 YEARS**

**168 UCAS Points (Grade D\*D\*D\*)**

**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including English, Maths and Science or: BTEC Level 2 Technical in Laboratory Science/ BTEC NQF Level 2 Extended Certificate/BTEC QCF Level 2 Diploma Merit/Distinction and GCSEs grades 9-4 (A\*-C) in English, Maths and Science.

**Assessment:** Coursework, practical and external examinations.

This is a theoretical, practical and work-related course, developing the necessary skills, knowledge and understanding for both biomedical and forensic sciences.

This course will include relevant talks from industry professionals and visits to places of scientific interest to support your progression into a forensic or biomedical field.

**TOPICS INCLUDE**

- Science investigation skills
- Principles and applications of science
- Contemporary issues in science
- Biomedical science
- Forensic evidence, collection and analysis

**YOUR NEXT STEPS**

Progression to degrees in medical science or forensic science is possible after completion of your course.

Alternatively you may also progress directly into employment in the science and health-related industry.

**MEET BENJAMIN**  
**APPLIED SCIENCE LEVEL 3**

Benjamin chose Applied Science as he liked the real-life applications of the traditional Science subjects that the course offered and felt this would open up a broad spectrum of career choices.

He enjoyed the practical elements of the course and was inspired by trips to The Old Operating Theatre, and The Science Museum in London.

*"I would definitely recommend East Surrey College. The teachers really care about their students and will do anything to help them get where they want to be in life."*

Benjamin has been offered a place at St George's University, London to study Radiography.

# AVIATION, TRAVEL & TOURISM

Do you have a passion for travel, great people skills and a flair for adventure? Start your journey with an Aviation or Travel & Tourism course.

The travel and aviation industry has risen to the extreme challenges globally by adapting to an ever-changing world. Our courses will support you in developing a wide range of skills to prepare you for a career in this dynamic industry.

Our experienced staff will help you to develop a range of desirable, transferable skills allowing you to progress into your chosen industry.

East Surrey College maintains excellent links with local employers, providing you with opportunities to hear from industry leaders and gain valuable insights into this sector.

## YOUR STUDIES MAY INCLUDE:

- Work placements
- Visits to Gatwick Airport and other airports
- Visits to air shows and aviation exhibitions
- Training days
- Guest speakers from travel-based companies

## THINGS TO NOTE BEFORE YOU START

- There will be a cost for any trips
- There will be a cost for cabin crew uniform

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"I'm so glad both my teachers at ESC had a great deal of experience in their areas, those experiences were truly helpful!"*

**JOSE (pictured right)**  
CABIN CREW  
LEVEL 2

**Thinking about an Apprenticeship?**  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

## FUTURE CAREER PATHS INCLUDE

Air Traffic Controller  
Airline Pilot  
Airport Security  
Cabin Crew  
Event Manager  
Ground Handler  
Holiday Representative  
Travel Agent

» Gain industry knowledge from our specialist tutors

» We have fantastic links with local employers such as Jet2, Gatwick Airport and easyJet

» Trips, visits and workshops will give you first-hand insight and experience of the sector

AIR CABIN CREW  
LEVEL 2 DIPLOMA | 1 YEAR

Entry requirements: 5 GCSEs grade 9-3 (A\*-D) including English and Maths.

Assessment: Some written assignment tasks, short tests, observations and a portfolio of evidence to cover coursework.

This course has been designed especially for those who wish to pursue a career in the airline industry as cabin crew. This qualification can help you secure your first job working in a cabin crew team.

You will learn how to co-ordinate a safe flight: preparing the cabin, getting the passengers aboard, demonstrating safety procedures, as well as learning how to deal with emergencies and develop your knowledge in our very own aircraft seating.

TOPICS INCLUDE

- Airline health, safety and security
- Emergency procedures
- Roles of cabin crew
- Airport arrival processes
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Once you have completed this course, you will have the necessary skills and knowledge to successfully become employed as air cabin crew or airport operations staff.

Many of our students have secured employment with fantastic airlines such as Jet2, British Airways and easyJet.

You will also be able to progress onto our Level 3 Extended Diploma courses within Aviation or Travel & Tourism.

AVIATION  
ENVIRONMENT

LEVEL 2 DIPLOMA | 1 YEAR

Entry requirements: 5 GCSEs grade 9-3 (A\*-D) including English and Maths.

Assessment: Some written assignment tasks, short tests, observations and a portfolio of evidence to cover coursework.

This course has been designed for those who wish to pursue a career in the aviation industry. The course will provide you with a broad knowledge and understanding of the sector and equip you with the right skills to pursue a variety of different career opportunities in this interesting and challenging industry.

TOPICS INCLUDE

- Aviation health, safety and security
- Aviation communications
- Airport check-in services
- Aircraft boarding and arrival services
- Support flight operations
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

You will have the necessary skills and knowledge to work in an airport ground handling company including dispatch, checking in and boarding passengers or baggage handling.

You may also go onto an apprenticeship within the aviation industry to gain further skills recognised by employers; or you may choose to study on the Aviation Operations or Aeronautical Engineering Level 3 courses.

AVIATION  
OPERATIONS

LEVEL 3 EXTENDED DIPLOMA  
2 YEARS

168 UCAS Points (Grade D\*D\*D\*)

Entry requirements: 5 GCSEs grade 9-4 (A\*-C) including English and Maths or: a Level 2 Extended Certificate/Level 2 Diploma Merit/Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: Coursework.

This practical, work-related course is ideal for those that may wish to pursue a career in airport or aviation management, air traffic control, cargo or dispatch.

As part of this course, you'll learn about the aviation industry, developing an in-depth understanding of health and safety, security requirements, ramp handling operations, on-board passenger operations and team leadership.

You'll complete projects and assignments based on realistic workplace situations and activities. You'll take part in work experience opportunities during non-college days.

YOUR NEXT STEPS

- The UK aviation industry
- The principles of flight
- Security in the aviation industry
- Aviation geography
- Flight and aircraft operations
- Health and safety customer service
- Preparation for employment

YOUR NEXT STEPS

After successfully completing this course you will be prepared for progression within the aviation industry, employment or onto a university course to study courses such as airport/airlines operations or pilot training.

TRAVEL & TOURISM  
LEVEL 2 DIPLOMA | 1 YEAR

Entry requirements: 5 GCSEs grade 9-3 (A\*-D) including English and Maths.

Assessment: Some written assignment tasks, short tests, observations and a portfolio of evidence to cover coursework.

This qualification provides you with the opportunity to develop vocational skills and gain a broad knowledge and understanding of the travel and tourism sector. You will investigate the UK tourism sector, understand its importance and gain an insight into the different employment opportunities available. You will have the chance to develop your personal skills and qualities, which will enable you to succeed in this exciting sector.

TOPICS INCLUDE

- UK travel and tourism destinations and structure
- Principles of customer service in hospitality, leisure, travel and tourism
- International destinations
- Factors affecting worldwide travel and tourism
- Business environments
- Visitor attractions
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Once you have completed this course you could progress onto our Travel and Tourism Level 3 Extended Diploma, an apprenticeship course or enter employment within a wide range of job roles across the travel and tourism sector at a junior level.

TRAVEL & TOURISM  
LEVEL 3 EXTENDED DIPLOMA  
2 YEARS

168 UCAS Points (Grade D\*D\*D\*)

Entry requirements: 5 GCSEs grade 9-4 (A\*-C) including English and Maths or: a Level 2 Extended Certificate/Level 2 Diploma Merit/Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: Some written assignment tasks, observations and a portfolio of evidence to cover coursework.

This practical, work-related course is ideal if you are seeking employment within the travel and tourism industry in roles such as cabin crew, travel agents and tour operators.

You will be set projects and assignments based on realistic work-place situations, activities and demands. You will also take part in work experience or a work based project during non-college days.

TOPICS INCLUDE

- Travel and tourism
- UK travel and tourism destinations
- European destinations
- Worldwide destinations
- The cruise industry
- Preparing for employment
- Working as a holiday representative
- Customer service

YOUR NEXT STEPS

You will have the chance to progress straight into employment in career roles such as a holiday representative, tour guide, cabin crew or cruise ship staff.

Or you may wish to start an apprenticeship or progress onto a higher level qualification in travel & tourism management or study at degree level at university.

MEET REUBEN  
AVIATION OPERATIONS  
LEVEL 3

Reuben studied Aeronautical Engineering for a year before deciding to join the Aviation Operations course at East Surrey College on the recommendation of a friend.

*"I really enjoyed the course. The content was great but what made it for me was the fact the tutors had all worked in the industry so could share their lived experience and stories with us."*

Reuben found it extremely useful to hear from companies within the industry including Whizz Air, Gatwick Security and DHL Luggage, who highlighted the different career options available. On completion of his course, Reuben was recruited as Flight Attendant Crew with Easy Jet and is now working towards achieving his Commercial Pilot license.

# BUSINESS, ACCOUNTING & IT

Learn what it takes to flourish in the fast-paced worlds of Business, Accounting or IT. Our qualifications will prepare you with the fundamental skills for a successful career in your chosen industry.

Develop relevant practical skills through a variety of real-life experiences, alongside gaining valuable theoretical knowledge.

Our involvement in enterprise projects over the years has ensured that you have access to excellent employer links to gain work experience and remain one step ahead of the competition!

#### YOUR STUDIES MAY INCLUDE:

- A team building activity day
- Organising fundraising events for charities
- Visits to see business schools at universities
- Trips to local businesses

#### THINGS TO NOTE BEFORE YOU START

- There will be a cost for any trips

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"The values I developed at East Surrey College have helped me to ensure that I remain on the pathway of continuous improvement."*

LYDIA  
BUSINESS LEVEL 3

**Thinking about an Apprenticeship?**  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

#### FUTURE CAREER PATHS INCLUDE

Account Manager  
Accountant  
Auditor  
Business Manager  
Human Resources Officer  
IT Technician  
Marketing Assistant  
Website Developer

» Opportunities to work on 'live' projects with local employers and entrepreneurs

» Regular CV, career development and UCAS support

» In-person and online employer seminars and presentations across various industries

INFORMATION TECHNOLOGY

LEVEL 1 INTRODUCTORY DIPLOMA | 1 YEAR

Entry Requirements: 4 GCSEs grade 9-2 (A\*-E) including English and Maths.

Assessment: Coursework.

The skills that you'll develop on this course will assist you to move into a job in an office environment.

This qualification introduces basic ICT practices and gives you a starting platform of essential ICT knowledge. This will also provide the starting knowledge for entry into the IT sector and prepare you for further learning or training at a higher level.

TOPICS INCLUDE

- Being organised
- Developing a personal progression plan
- Working with others
- Researching a topic
- Developing digital information using IT
- Using digital communications technologies
- Creating a website
- Creating a computer program
- Developing a digital product
- Creating a digital animated graphic
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Once you have successfully completed this course, you can enter into an entry or junior level job in business/IT related roles such as a Business Administrator, or it could lead to progression onto the ICT Level 2 Extended Certificate course or an IT Apprenticeship.

ICT

LEVEL 2 EXTENDED CERTIFICATE 1 YEAR

Entry Requirements: 5 GCSEs grade 9-3 (A\*-D) including English and Maths or: BTEC Level 1 Diploma/Extended Diploma and GCSEs grade 9-3 (A\*-D) in English and Maths.

Assessment: Coursework and computer based exams.

This is a practical, work-related course which develops the necessary skills, knowledge and understanding to progress within the IT sector.

This qualification offers you experience of basic programming skills for software development, practical experience in developing and creative elements in graphics and web design.

You will also take part in work experience or a work based project during non-college days.

TOPICS INCLUDE

- The online world
- Technology systems
- A digital portfolio
- Creating digital graphics
- Software development
- Mobile phone applications
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

You will have gained the knowledge, skills and understanding to progress onto a level 3 course at ESC, an apprenticeship or relevant employment in IT related roles.

COMPUTING

LEVEL 3 EXTENDED DIPLOMA 2 YEARS

168 UCAS Points (Grade D\*D\*D\*)

Entry Requirements: 5 GCSEs grade 9-4 (A\*-C) including English and Maths or: BTEC NQF Level 2 Extended Certificate /BTEC QCF Level 2 Diploma Merit/Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: Coursework and computer based exams.

If you are interested in a career in computing in specialist areas such as systems analysis, software development or technical support then this course is for you. This is a practical, work-related course, which develops the necessary skills, knowledge and understanding required for the IT industry.

Gain experience in a range of IT skills from web design and office applications to basic programming and hardware installation.

You will also take part in work experience, including practical assignments or a work based project during non-college days.

TOPICS INCLUDE

- Principles of computer science
- Software design and development
- Computer games development
- Mobile app development
- Computer networking

YOUR NEXT STEPS

You will have the chance to progress to a relevant computing higher level qualification or degree Level course such as the foundation degree in Internet software development. Alternatively, you can enter employment in an IT/computing environment or enrol as a higher or degree apprentice at ESC.

DIGITAL PRODUCTION, DESIGN & DEVELOPMENT

LEVEL 3 | 2 YEARS

T LEVEL // See page 16 for more info

168 UCAS Points (Grade D\*D\*D\*)

Entry Requirements: 5 GCSEs grade 9-4 (A\*-C) including English, Maths and IT/Computing; or BTEC Level 2 Diploma/Extended Certificate Merit/Distinction in ICT/Computing and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: Exams, practical projects, presentations and externally examined coursework tasks.

This qualification has been developed for those who want to progress to a career in the digital sector, with a focus on software design and development. You will learn the skills and knowledge needed to design, implement and test software while also considering ethical principles and legal or regulatory requirements, and how to maintain and support software and analyse problems.

This qualification requires a mandatory 315 hours (minimum) industry placement which you must undertake and complete in order to be successfully certified.

TOPICS INCLUDE

- The digital environment and security
- Introduction to programming
- Impact of digital technologies
- Software design principles

YOUR NEXT STEPS

You may progress into Higher Education at ESC or university. Or you may also progress into an apprenticeship or employment in roles such as a UX Designer or Programme Developer.

MEET REBECCA  
AAT ACCOUNTING LEVEL 3

Rebecca wanted to try something new and has always liked working with numbers. She chose accountancy as it relates to everyday life and opens up opportunities. ESC offered the exact course she was looking for.

Rebecca has really enjoyed the course and has made some good friends – she has enjoyed collaborating with other students as part of her studies.

“Being at ESC isn’t restrictive, you can achieve at your own pace and ability. I like independent study and can plan my own workload. I’ve found what motivates me.”

On completion of her course, Rebecca started work in the accounting department of Bytes Technology Group. Her role includes general bookkeeping and administration. She feels there is lots of potential for progression and further study.

AAT ACCOUNTING

LEVEL 2 FOUNDATION DIPLOMA  
1 YEAR

**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including English and Maths.

**Assessment:** Computer based exams.

This qualification gives you experience of a wide range of financial skills and knowledge designed to prepare you for a career in business, finance or professional accountancy.

You will gain a broad and thorough introduction to accountancy whilst developing your skills in finance administration, bookkeeping, accounting software and purchasing.

You will develop the important skills needed by employers that provide the stepping stones for entry to employment or self-employment. You will take part in work experience or employer engagement activities during non-college days.

TOPICS INCLUDE

- Bookkeeping and payroll
- Control accounts, journals and the banking system
- Working effectively in finance
- Computerised accounting
- Basic costing
- Business communications
- Introduction to company and business law

YOUR NEXT STEPS

On successful completion of this course, you may wish to progress on to the AAT Level 3 Advanced Diploma, or alternatively you may wish to secure employment within entry level accountancy roles as an Accounts Administrator/Assistant, Salesledger Clerk or trainee Finance Assistant.

AAT ACCOUNTING

LEVEL 3 ADVANCED DIPLOMA  
1 YEAR

**56 UCAS Points (Grade D)**  
**Entry Requirements:** AAT Accounting Level 2 or equivalent and 5 GCSEs grade 9-4 (A\*-C) including English and Maths.

**Assessment:** Computer based exams.

This is the second stage in the AAT suite of qualifications (following the AAT Level 2 Foundation Diploma).

This course will introduce higher level topics to further develop your understanding of accounting tasks and financial processes, such as maintaining cost accounting records and the preparation of reports and returns.

You will develop the important skills required by employers for entry to employment or self-employment. You will take part in work experience or employer engagement activities during non-college days.

TOPICS INCLUDE

- Advanced bookkeeping and final accounts
- Indirect tax
- Management cost accounting
- Spreadsheets for accounting
- Professional ethics in accounting

YOUR NEXT STEPS

This course can lead to employment in a variety of accountancy and finance roles in both the public and private sectors; in roles such as a finance officer, assistant accountant or Bookkeeper.

Alternatively, you could choose to progress to higher level study at college or university.

BUSINESS

LEVEL 1 INTRODUCTORY  
DIPLOMA | 1 YEAR

**Entry Requirements:** 4 GCSEs grade 9-2 (A\*-E) including English and Maths.

**Assessment:** Coursework.

This qualification introduces business practices and gives you the breadth of essential knowledge, understanding and skills needed for today's business industry.

You will also acquire a variety of transferable skills that will help in all aspects of life, not just in the world of business.

You will also take part in work experience and a work based project during non-college days.

TOPICS INCLUDE

- Developing a personal progression plan
- Being organised
- Working with others
- Researching a topic
- Branding a product
- Presenting a business idea
- Recording income and expenditure
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

This course provides great progression routes onto our Business Level 2 course, or to develop skills that will be valuable in a variety of full-time roles such as Business Support Assistant, Junior Administrator and Client Services Clerk.

BUSINESS

LEVEL 2 EXTENDED CERTIFICATE  
1 YEAR

**Entry Requirements:** 5 GCSEs grade 9-3 (A\*-D) including English and Maths or: BTEC Level 1 Diploma (Merit) and GCSE grades 9-3 (A\*-D) in English and Maths.

**Assessment:** Coursework and computer based exams (externally set).

You'll develop awareness of new aspects of the business world and learn about the important skills required by employers, providing stepping stones for entry into employment.

Our tutors deliver practical activities, presentations and involvement with local businesses wherever possible. You will also complete work experience and a work based project during non-college days.

TOPICS INCLUDE

- Enterprise in the business world
- Finance for business
- Principles of marketing
- Recruitment, selection and employment
- Law and consumer rights
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

On successful completion you may continue onto the Business Level 3 qualification if you would like to gain the entry requirements for university or improve your future job prospects.

Some students have previously decided to progress directly onto an apprenticeship or employment in Office Admin or Marketing Assistant roles.

BUSINESS

LEVEL 3 EXTENDED DIPLOMA  
2 YEARS

**168 UCAS Points (Grade D\*D\*D\*)**  
**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including English and Maths or: BTEC NQF Level 2 Extended Certificate Merit/Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths

**Assessment:** Coursework and computer based exams (externally set).

A practical, work focused course which develops the necessary skills, knowledge and understanding to provide a sound, basic business education. The course is continuously assessed through assignments, project tasks and case studies.

A number of trips are organised during the year to relate your learning to the world of work. The course uses practical activities, presentations and involvement with local businesses wherever possible. You will also find and complete work experience during non-college days.

TOPICS INCLUDE

- Finance
- Marketing (including Digital Marketing)
- Event Management
- International Business
- Business Management
- Law
- Marketing Research

YOUR NEXT STEPS

This course offers opportunities to progress to employment in a wide range of job roles across the business and digital industries.

Alternatively you may choose to go into higher education at ESC to study a Management FdA, or start an apprenticeship.

MANAGEMENT &  
ADMINISTRATION  
LEVEL 3 | 2 YEARS

**T LEVEL // See page 16 for more info**

**168 UCAS Points (Grade D\*D\*D\*)**  
**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including English, Maths and IT/Computing; or BTEC Level 2 Diploma/Extended Certificate Merit/Distinction in ICT/Computing and GCSEs grade 9-4 (A\*-C) in English and Maths.

**Assessment:** Exams, practical projects, presentations and externally examined coursework tasks.

During the course, you will develop the core knowledge and skills needed for entry into a range of business occupations by developing an understanding of a range of issues relating to the sector.

There will be a mixture of classroom-based teaching and learning and 'on-the-job' work as this qualification requires a mandatory 315 hours (minimum) industry placement which you must undertake and complete in order to be successfully certified.

TOPICS INCLUDE

- Organisational cultures and values
- Different types of stakeholders
- Project management theories
- Quality and compliance
- Testing software and hardware

YOUR NEXT STEPS

On completion you can progress onto higher education in the form of a HNC, HND or degree. Alternatively, you may also wish to progress onto an apprenticeship or head straight into employment in a business role.

# CONSTRUCTION

Are you looking for a practical based career where you're working with your hands? Then a course in the construction industry could be for you.

Our industry-experienced tutors will support you in developing the necessary practical skills and theoretical knowledge you need to excel in your chosen industry.

The College has strong links with employers, giving you the opportunity to hear from industry leaders and gain additional experience alongside your course.

## YOUR STUDIES MAY INCLUDE

- Visits by industry experts
- Taking part in various regional and national competitions
- Working on local projects in the community

## THINGS TO NOTE BEFORE YOU START

- You will need to buy your own personal protection equipment (PPE – boots, goggles and protective clothing)
- You will also need to purchase a uniform from the College which includes a polo shirt, sweatshirt/fleece and trousers
- There will be a cost for any trips/visits
- You will need to arrange industry work experience

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"The teachers are absolutely great! They are approachable, helpful and experienced, so I feel like I'm in safe hands! "*

**HARLEY**  
PAINTING & DECORATING  
LEVEL 1

**Thinking about an Apprenticeship?**  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

## FUTURE CAREER PATHS INCLUDE

Architect  
Bricklayer  
Building Surveyor  
Carpenter  
Electrician  
Ground Worker  
Painter & Decorator  
Plumber

» Working alongside local employers delivering educational talks virtually and in-person

» Purpose-built workshops in Brickwork, Plumbing, Electrical Installation, Carpentry & Joinery

» Courses are developed around industry needs in collaboration with local employers and professionals

BRICKWORK

LEVEL 1 DIPLOMA | 1 YEAR

**Entry Requirements:** 4 GCSEs grade 9-2 (A\*-E) including English and Maths.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Online City & Guilds tests and a portfolio of evidence.

This course will teach you a combination of practical skills and theory; developing your basic construction knowledge and core skills that you need to work safely and confidently in the construction industry. It is ideally suited to those of you who want to progress onto further training or an apprenticeship.

Whilst studying bricklaying you will learn a variety of skills to enable you to build, repair and maintain the country's housing stock.

TOPICS INCLUDE

- Carrying out blocklaying
- Carrying out bricklaying
- Carrying out cavity walling activities
- Contribute to setting out and building of masonry structures up to damp proof course
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Successful completion of this course will allow you the opportunity to progress onto our Brickwork Level 2 Diploma and also open training opportunities on an apprenticeship within the construction industry.

Those who complete successfully will also be able to support a skilled worker as a Trainee Bricklayer on a construction site, after gaining a Construction Skills Certification Scheme (CSCS) card.

BRICKWORK

LEVEL 2 DIPLOMA | 1 YEAR

**Entry Requirements:** Brickwork Level 1 Diploma and GCSEs grade 9-3 (A\*-D) in English and Maths.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Online City & Guilds tests and a portfolio of evidence.

Building on the bricklaying skills learnt during the level 1 programme, you will extend your skills and knowledge with more challenging activities comprising both practical hands-on training in our industry-standard workshops and classroom-based theory lessons.

TOPICS INCLUDE

- Interpreting working drawings to set out masonry structures
- Producing thin joint masonry and masonry cladding
- Building solid walling, isolated and attached piers
- Construct cavity walling forming masonry structures
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

After successfully passing Brickwork Level 2, you may wish to consider expanding your knowledge working on building sites, completing basic walling activities or alternatively taking on an apprenticeship in Brickwork to further your experience learning on the job.

CARPENTRY & JOINERY

LEVEL 1 DIPLOMA | 1 YEAR

**Entry Requirements:** 4 GCSEs grade 9-2 (A\*-E) including English and Maths.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Online City & Guilds tests and a portfolio of evidence.

This Level 1 qualification provides the basic fundamental practical skills required by someone aspiring to be a Carpenter. You will learn, develop and practise the skills required for employment and/or career progression in carpentry or joinery.

You will be taught how to prepare and use carpentry and joinery portable power tools and how to develop the craft and hand-skills.

TOPICS INCLUDE

- Producing basic woodworking joints
- Principles of building construction, information and communication
- Health and safety
- Maintain and use carpentry and joinery hand tools
- Prepare and use carpentry and joinery portable power tools
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Typically students have progressed onto the Carpentry & Joinery Level 2 Diploma at ESC to enhance their skills.

Alternatively you may wish to secure an aApprenticeship with an employer and earn whilst you learn.

Those who successfully complete will be able to support a skilled worker as a Labourer on a construction site, after gaining a Construction Skills Certification Scheme (CSCS) card.

CARPENTRY & JOINERY

LEVEL 2 DIPLOMA | 1 YEAR

**Entry Requirements:** Carpentry & Joinery Level 1 Diploma and GCSEs grade 9-3 (A\*-D) in English and Maths.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Online City & Guilds tests and a portfolio of evidence.

After learning the basic skills taught at Level 1, this Level 2 qualification focuses on the woodwork activities essential to working as a site carpenter.

You will cover the key topics of health and safety, communication and working in the construction industry, and learning about erecting and fitting timber, creating woodworking joints, frames, doors and windows.

TOPICS INCLUDE

- First fix flooring and roofing, frames, partitions and stairs
- Principles of construction
- Carrying out second fixing operations
- Carrying out carpentry maintenance
- Maintain and use fixed bench saw
- English or Maths (if not both already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

You will have the necessary skills and knowledge to work and carry out basic carpentry operations either on building sites or at a manufacturing facility.

You may wish to go on and study one of the new T Level qualifications we have on offer or take on an apprenticeship from our extensive offer in Construction.

MEET JACOB

CARPENTRY & JOINERY LEVEL 1

After leaving school with excellent GCSE grades, Jacob joined ESC to pursue his interest in woodwork and joinery. He liked the feel of the College and thought the facilities were good.

He has particularly enjoyed the trips off-site as they give context to things he's learning at College. These include a visit to a local housing estate to identify different periods/styles of homes.

*"I'm really happy with the course, it offers a good balance of theory and independent, practical project work. There's great access to equipment and knowledgeable staff to help you feel supported."*

Jacob intends to move on to Carpentry & Joinery Level 2, or get an apprenticeship. In the future, he sees himself working in a joinery workshop, producing bespoke furniture.

Construction students enjoy a range of visits to live construction sites to experience what it's like to work on a large scale construction site.

CONSTRUCTION  
MULTI-SKILLS

LEVEL 1 DIPLOMA | 1 YEAR

**Entry Requirements:** Few formal qualifications, ideally 4 GCSEs grade 9-1 (A\*-G).

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Online City & Guilds tests and portfolio of evidence.

This qualification is designed for those seeking an introductory route into the construction industry. You will be introduced to the initial skills, knowledge and understanding required to enter the construction sector across areas such as painting and decorating, carpentry and brickwork; helping you prepare to progress to higher level related qualifications.

TOPICS INCLUDE

- Brickwork
- Carpentry
- Painting and decorating
- Safe working practices in construction
- Health and safety
- Building methods and construction technology
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

If you complete the course successfully, you will be in a position to apply for an Apprenticeship or progress onto a level 1 or 2 diploma across a variety of disciplines at ESC.

Those who successfully complete the course will be able to also support a skilled worker as a Labourer on a construction site, after gaining a Construction Skills Certification Scheme (CSCS) card.

DESIGN, SURVEYING  
& PLANNING FOR  
CONSTRUCTION

(SURVEYING & DESIGN FOR  
CONSTRUCTION & THE BUILT  
ENVIRONMENT)

LEVEL 3 | 2 YEARS

T LEVEL // See page 16 for more info

168 UCAS Points (Grade D\*D\*D\*)

**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including English and Maths; or BTEC Level 2 Diploma/ Extended Certificate in Construction and GCSEs grade 9-4 (A\*-C) in English and Maths.

**Assessment:** Practical projects and externally set coursework/exams.

This technical qualification is intended for those who want to progress to a career in the construction sector, focusing on surveying and design.

You will cover specialist units such as how to measure, analyse and design in the built environment. Whilst on your employer led work placement you will complete an employer set project, which is an essential part of the overall qualification.

TOPICS INCLUDE

- Health and safety
- Building and digital technology
- Mathematical techniques
- Sustainability
- Project management and law

YOUR NEXT STEPS

On successful completion of your T Level, you can progress onto a job/ apprenticeship in construction in your chosen occupational specialism, a relevant Higher National Certificate/ Diploma at ESC or construction degree programme at university.

ELECTRICAL  
INSTALLATION

LEVEL 2 DIPLOMA | 1 YEAR

**Entry Requirements:** 4 GCSEs grade 9-4 (A\*-C) including Science, English and Maths.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Online City & Guilds tests and a portfolio of evidence.

This qualification provides you with the underlying knowledge and abilities needed to progress in electrical installation and will allow you to support a fully qualified electrician on site.

Using a mix of classroom-based and project work, you will learn how to fabricate containment, install and terminate cables, inspect and test electrical installations, diagnose and rectify electrical faults, as well as learning the underpinning industry regulations and electrical science.

TOPICS INCLUDE

- Health and safety in building services
- Principles of electrical science
- Electrical installations technology
- Installation of wiring systems and enclosures

YOUR NEXT STEPS

You will have the necessary skills and knowledge to work and carry out basic electrical operations.

Many of our students have secured successful employment working alongside a fully qualified electrician or have gone onto an apprenticeship within the industry.

### MEET LEVI

#### PAINTING & DECORATING LEVEL 2

Levi's love of art and his desire to learn how to paint rather than pay someone else to do it for him, led to him choosing this course.

Since starting at East Surrey College, Levi has enjoyed learning new skills such as painting a panelled door and perfecting the art of 'cutting in'.

*"I'd recommend East Surrey College because the teaching is good as well as the level of support given to students, especially those who need it the most. Focus on your goals and you'll get there in the end!"*

He appreciates the support given by his tutors to help him succeed in his future career.

**PAINTING & DECORATING**  
**LEVEL 1 DIPLOMA | 1 YEAR**  
Entry Requirements: 4 GCSEs grade 9-2 (A\*-E) including English and Maths.  
**Note:** Appropriate uniform/PPE is required in workshops and classrooms.  
**Assessment:** Online City & Guilds tests and a portfolio of evidence.  
This qualification is for those who wish to take their first step towards a career as a painter and decorator in the construction industry. You will learn about paint systems, application techniques and decorative finishes.

- TOPICS INCLUDE**
- Preparing surfaces for decoration
  - Applying paint systems by brush and roller
  - Applying wallpaper
  - Producing decorative finishes
  - English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)
- YOUR NEXT STEPS**  
Those who successfully complete this course may wish to stay on at ESC and progress onto the Painting & Decorating Level 2 course, or enter employment in a junior/entry level role in the painting and decorating sector, or general construction industries, or alternatively take on an apprenticeship.

**PAINTING & DECORATING**  
**LEVEL 2 DIPLOMA | 1 YEAR**  
Entry Requirements: Painting & Decorating Level 1 Diploma and GCSEs grade 9-3 (A\*-D) English and Maths.  
**Note:** Appropriate uniform/PPE is required in workshops and classrooms.  
**Assessment:** Online City & Guilds tests and a portfolio of evidence.  
Building on the skills learnt on the Level 1 programme, you will extend your skills and knowledge with more challenging activities, to enhance the knowledge, skills and confidence required to work competently within the painting and decorating industry.

- TOPICS INCLUDE**
- Preparing surfaces for decoration
  - Applying paint systems by brush and roller to a variety of surfaces
  - Applying foundation and plain papers
  - Producing specialist decorative finishes
  - Applying and creating colour
  - English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)
- YOUR NEXT STEPS**  
After successfully passing the Level 2 Diploma in Painting & Decorating, you may wish to consider expanding your knowledge working on building sites, completing basic painting and decorating activities, or start an apprenticeship from our extensive offer in Construction.

**PLUMBING**  
**LEVEL 1 DIPLOMA | 1 YEAR**  
Entry Requirements: 4 GCSEs grade 9-2 (A\*-E) including English and Maths.  
**Note:** Appropriate uniform/PPE is required in workshops and classrooms.  
**Assessment:** Online City & Guilds tests and a portfolio of evidence.  
This qualification develops the skills that employers are looking for, and introduces you to the practical plumbing skills required in the trade. You will learn about the installation and maintenance of plumbing systems through a combination of practical experience and theory.

- TOPICS INCLUDE**
- Understanding the structure of the industry
  - Different types of materials used in the plumbing industry
  - Basic pipe bending and soldering skills
  - Basic pipe runs for hot and cold systems
  - English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)
- YOUR NEXT STEPS**  
Completing this course will assist in your progression to become a fully qualified Plumber and help you develop and practise the skills required for employment and career progression. You'll also be able to progress onto our Plumbing Level 2 Diploma or as a plumbing apprentice.

**PLUMBING**  
**LEVEL 2 DIPLOMA | 1 YEAR**  
Entry Requirements: Plumbing Level 1 Diploma and at least 1 GCSE grade 9-4 (A\*-C) in English or Maths.  
**Note:** Appropriate uniform/PPE is required in workshops and classrooms.  
**Assessment:** Online City & Guilds tests and a portfolio of evidence.  
This level 2 qualification builds on the skills learnt at level 1. You will learn about the key methods, materials, processes and principles used in plumbing; allowing you to carry out installations of kitchen and sanitary appliances including: toilets, wash basins, sinks and cisterns.

- TOPICS INCLUDE**
- Electrical principles and processes for building services
  - Scientific principles for domestic, industrial and commercial plumbing
  - Standard plumbing processes
  - Cold water and domestic hot water systems
  - Central heating systems
  - English or Maths (if not both already achieved at GCSE grade 9-4/A\*-C)
- YOUR NEXT STEPS**  
On successful completion you'll have a solid understanding and experience in plumbing work and will be able to start a career at entry level specialising in plumbing, or working as an apprentice with an employer in the construction industry. Alternatively you may wish to study a new level 3 T Level qualification.

# EARLY YEARS & CHILDCARE

Whether you want to work in a nursery or Children's Centre, become a nanny, or maybe a teaching assistant in a school, having a recognised qualification is essential.

You will benefit from working with experienced tutors, ensuring you get the required support for your success within this sector.

All courses incorporate a work placement which gives you valuable experience of different childcare settings increasing your employability skills for the future.

There are great opportunities for progression into an Apprenticeship, the workplace or onto Higher Education courses at ESC or University.

## YOUR STUDIES MAY INCLUDE:

- A work placement in an early years setting
- Taking part in enrichment activities including fundraising for Children in Need and other charities
- Trips and visits
- Attending talks and presentations from guest speakers

## THINGS TO NOTE BEFORE YOU START

- A DBS check needs to be completed before you can commence your course – please submit your application as early as possible
- Work placements are mandatory on Early Years Practitioner Level 2 and Education & Childcare T Level
- You will need to buy a uniform from the College which includes a polo shirt and fleece

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"My work experiences have helped me with my coursework as I am able to reflect on what I have learnt in the classroom and apply it in real life."*

**MOLLY**  
EDUCATION & CHILDCARE  
LEVEL 3

**Thinking about an Apprenticeship?**  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

➤ Specially designed College Early Years and Childcare uniform

➤ Opportunities to gain on-the-job learning with work placements in an Early Years setting

➤ Nationally-recognised Childcare CACHE qualifications developed by experts to meet the needs of the sector

## FUTURE CAREER PATHS INCLUDE

Classroom Assistant  
Early Years Educator  
Nursery Nurse  
Play Therapist  
Primary School Room Leader  
Primary School Teacher  
Speech & Language Therapist  
Youth Worker

CARING FOR CHILDREN

LEVEL 1 DIPLOMA (NCFE CACHE)  
1 YEAR

Entry Requirements: 4 GCSEs grade 9-2 (A\*-E) including English and Maths.

A clean DBS check.

Assessment: Coursework and practical work placements.

This course provides a good starting point for a life-long career in childcare, helping you develop a basic understanding of the key skills needed to care for children.

You will be introduced to a wide range of areas linked to childcare such as child development, health and safety and planning activities for children under the age of 5.

As part of the course, you will undertake real life work experience within a childcare setting to develop the skills needed to work with children to aid your own professional development.

TOPICS INCLUDE

- Health and safety
- Science activities for children
- Human growth and development
- Professional development
- Understanding learning and development through play
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Successful completion of this course can lead to exciting progression opportunities into employment or working as an apprentice in an early years/childcare setting.

You may wish to also develop your skills on our Early Years Practitioner Level 2 Diploma or Health and Social Care Level 2 Extended Certificate.

EARLY YEARS PRACTITIONER

LEVEL 2 DIPLOMA (NCFE CACHE)  
1 YEAR

Entry Requirements: 5 GCSEs grade 9-3 (A\*-D) including English and Maths; or BTEC Level 1 Diploma Merit/Distinction and GCSEs grade 9-3 (A\*-D) in English and Maths; or Level 1 Diploma Pass and GCSEs grade 9-3 (A\*-D) in English and Maths.

A clean DBS check.

Assessment: Coursework and practical work placements (minimum 250 hours work experience).

This course introduces you to caring for children and young people between 0-5 years, and you'll gain knowledge of working with children up to 7 years.

You will learn how children develop physically and emotionally, as well as how they learn to interact with people. You will need to be working, volunteering or on practical placement to show competence in both knowledge and skills.

TOPICS INCLUDE

- Child development and safeguarding
- Supporting children's behaviour
- Positive environments
- Care routines for babies and young children
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Great progression routes working under supervision in a variety of roles such as a Nursery Practitioner or as an apprentice.

Alternatively you may wish to enrol on our new Early Years Educator Level 3 T Level qualification to build on your current skills and knowledge.

EDUCATION & CHILDCARE

LEVEL 3 | 2 YEARS

T LEVEL // See page 16 for more info

168 UCAS Points (Grade D\*D\*D\*)

Entry Requirements: 5 GCSEs grade 9-4 (A\*-C) including English and Maths; or Level 2 Diploma/Extended Certificate Pass and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: Practical projects and externally-set coursework and exams.

You will specialise in early years education and childcare; enabling you to explore the skills, knowledge and behaviours needed to support and promote children's play, early education and foster relationships with children to facilitate their development. This qualification requires a mandatory 750 hours (minimum) industry placement which you must undertake and complete in order to be successfully certified.

TOPICS INCLUDE

- Child development and behaviour
- Safeguarding and wellbeing
- Equality and diversity
- Special Educational Needs and Disability
- Parents, families and carers
- Working with others

YOUR NEXT STEPS

After successfully completing this course you can progress onto higher education courses such as FdA in Early Years at ESC or a top-up degree in courses such as Early Childhood Studies or Early Years Practice. Alternatively you can use the skills and experience you have gained to start an apprenticeship or employment in the childcare industry.

MEET JAIMESON  
CARING FOR CHILDREN  
LEVEL 2

Knowing he wanted to study something care-related, Jaimeson completed a Level 2 Health & Social Care course at ESC before deciding to try Childcare, which he has really enjoyed.

Alongside his studies, Jamieson worked as an Assistant at a Kindergarten where he was able to lead the class and provide activities to stimulate the children.

*"The course is brilliant! I particularly like the mix of three days in the classroom and two days on a placement. You get experience you wouldn't from a textbook and can apply your learning to real life situations."*

Jaimeson will be progressing on to the Education & Childcare T Level course. He has also been offered a position at a nursery where he can gain experience whilst saving for University.

# ENGINEERING

East Surrey College is the ideal place for you to start your journey towards an exciting and diverse career in Engineering, whatever your chosen specialism!

With excellent facilities, our workshops are equipped with the latest technology. We even have an augmented reality welding workshop! Learn from our industry-experienced staff and develop the technical skills you need to prepare you for a future in the Engineering industry.

#### YOUR STUDIES MAY INCLUDE:

- Trips within the industry
- Working with mechanical, electronic and/or welding technologies

#### THINGS TO NOTE BEFORE YOU START

- You will need to buy your own personal protection equipment (PPE – boots, goggles and protective clothing)
- You also need to purchase a uniform which includes polo shirt, sweatshirt and trousers
- There will be a cost for any trips
- You will need to arrange industry work experience

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"There's never a boring day when you're with your peers in class and progressing through an assignment together."*

**BEN**  
ELECTRO/MECHANICAL  
ENGINEERING  
LEVEL 3

*Thinking about an Apprenticeship?*  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

Courses delivered by industry-experienced tutors

Well-equipped Engineering and Augmented Reality Welding workshops

Specially designed College uniform for Engineering students

#### FUTURE CAREER PATHS INCLUDE

Aerospace Engineer  
Automotive Designer  
Civil Engineer  
Design Engineer  
Electrical Engineer  
Environmental Engineer  
Mechanical Engineer  
Project Manager

ENGINEERING  
LEVEL 2 | 1 YEAR

**Entry Requirements:** 4 GCSEs grade 9-3 (A\*-D) including Science, English and Maths.  
**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Continuous assessment.  
On this Level 2 qualification you will study many aspects of engineering which relate to the design of products and the way the industry works.

You will be introduced to the manufacturing engineering world where you will learn how to use lathes and mills as well as producing Computer Aided Design (CAD) drawings.

TOPICS INCLUDE

- CAD drawing
- Hand fitting
- Using a lathe
- Using a mill
- Introduction to welding
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

After you have successfully completed this programme, you can choose to stay on at ESC and develop your skills further with our new Level 3 T Level courses, where you will have the chance to work for an employer to develop your skills further.  
The course also provides an excellent basis for entry to a wide range of jobs in engineering or further training on an apprenticeship.

AERONAUTICAL  
ENGINEERING

LEVEL 3 EXTENDED DIPLOMA  
2 YEARS

**144 UCAS Points (Grade D)**  
**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including Science, English and Maths; or Engineering Level 2 Diploma and GCSEs grade 9-4 (A\*-C) in English and Maths.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Continuous assessment through assignments.

Learn, develop and practise the skills required for progression into the mechanical/aeronautical engineering industries. You will study a range of units such as applied theory and practical subjects across a broad range of aeronautical, electronic and mechanical disciplines.

TOPICS INCLUDE

- Aircraft flight principles
- Engineering project
- Aircraft electrical systems
- Gas turbine engine
- Applications of mechanical systems in engineering
- Pneumatic and hydraulic systems

YOUR NEXT STEPS

Upon successful completion of this course, you will hold a qualification that is recognised nationally by further and higher education establishments, as well as employers.  
You will have the chance to progress to employment, higher apprenticeships or to study further on a higher education course at ESC such as Higher National Certificates and Diplomas in Engineering and undergraduate degree programmes.

ELECTRO-MECHANICAL  
ENGINEERING

LEVEL 3 EXTENDED DIPLOMA  
2 YEARS

**144 UCAS Points (Grade D)**  
**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including science, English and Maths; or Engineering Level 2 Diploma and GCSEs grade 9-4 (A\*-C) in English and Maths.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Continuous assessment through assignments.

This course provides you with a good understanding of the engineering sector and helps develop the skills and knowledge required by the industry. You will learn the basic principles of mechanics and the theory and practice of mechanical and electrical/electronic engineering. You will be assessed through assignments and practical work across both electronic and mechanical subjects.

TOPICS INCLUDE

- Electrical/electronic principles
- Building electronic circuits
- Mechanical principles
- Properties of materials
- Pneumatic and hydraulic systems
- Engineering design

YOUR NEXT STEPS

Gain employment in the electronics, power or computer-related areas such as electronics design and development or project planning.  
You can also choose to stay on at the College and develop your skills further with our new Level 3 T Level courses. You will also have opportunities to progress onto a Higher National Certificate in General Engineering at ESC and to degree level at university.

DESIGN &  
DEVELOPMENT FOR  
ENGINEERING AND  
MANUFACTURING  
(ELECTRICAL & ELECTRONIC  
ENGINEERING)

LEVEL 3 | 2 YEARS

**T LEVEL** // See page 16 for more info

**168 UCAS Points (Grade D\*D\*D\*)**  
**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including Science, English and Maths; or Level 2 Diploma/ Extended Certificate in Engineering and GCSEs grade 9-4 (A\*-C) in English and Maths.

**Assessment:** Practical projects and externally set coursework and exams.

This course is designed to provide you with the core contexts, concepts and theories required for the engineering industry and is ideal for those interested in a career in the electrical/electronic engineering industries. This qualification requires a mandatory 315 hours (minimum) industry placement which will develop your technical skills and allow you to apply your knowledge in a workplace environment.

TOPICS INCLUDE

- Engineering and manufacturing design practices
- Engineering representations
- Maintenance, installation and repair
- Principles of electricity/electronics
- Commercial/financial awareness

YOUR NEXT STEPS

On successful completion, you can progress onto courses such as Higher National Certificates/Diplomas or top-up degrees at university. Alternatively develop your knowledge on a higher apprenticeship or employment in the engineering sector.

MEET HARRY  
DESIGN & DEVELOPMENT  
FOR ENGINEERING AND  
MANUFACTURING | LEVEL 3

Harry was drawn to Engineering as he is good at Maths and problem solving, and enjoyed taking things apart to see how they worked when he was young.  
He chose this course as he felt it offered the most options and was also impressed by the standard of facilities and knowledgeable staff.

*"I particularly enjoyed the practicals and seeing the real-world applications for the theory we were learning. I also found talks from external speakers really helpful in giving context to my learning and helping me understand more about the industry I'm walking into."*

Harry won STUDENT OF THE YEAR for his course and will go on to study Mechanical Engineering at University.

# HAIR, BEAUTY, MAKE-UP & SPA

Whether you want to work in a hair and beauty salon, or create looks for TV shows and magazine covers, these courses are made just for you!

You'll have the chance to gain practical hands-on experience in our fully equipped commercial salons and make-up studios, preparing you to work in your chosen industry or to start your own business.

Our courses take you from a solid grounding in the essential skills at Level 1 right through to Higher Education.

## YOUR STUDIES MAY INCLUDE:

- Taking part in Hair and Beauty shows throughout the year
- Taking part in internal and external competitions
- Training in professional working salons

## THINGS TO NOTE BEFORE YOU START

- You will need to buy an Escape Salon uniform and supply your own tools such as make-up brushes
- You will need to provide your own models for training and assessment
- You will need to pay for any photo shoots

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"I really enjoyed studying at ESC. I learnt a lot about the body as well as the skills I needed for work."*

**GEORGIA**  
BEAUTY THERAPY LEVEL 3

**Thinking about an Apprenticeship?**  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

## FUTURE CAREER PATHS INCLUDE

Beauty Therapist  
Hairdresser  
Make-Up Artist  
Massage Therapist  
Nail Technician  
Prosthetic Make-Up Artist  
Skincare Consultant  
Special Effects  
Technician

» Industry standard Media Make-Up workshops and Hair and Beauty salons

» Train in our professional training salon open to the public, staff and students

» Opportunities to showcase your work and compete in competitions, both internally and externally

BEAUTY THERAPY  
LEVEL 1 DIPLOMA | 1 YEAR

Entry Requirements: 4 GCSEs grade 9-2 (A\*-E) including English and Maths.

Assessment: A portfolio of practical work, exams and assignments.

This course is an introduction to the beauty industry for those who wish to prepare to train as a Beauty Therapist.

You will learn the basics of health and safety and professional salon behaviour, developing your communication skills and giving you an insight into the services and treatments provided in professional salons.

You will be taught the different techniques needed to provide mini manicures and salon treatments, including facial treatments and pedicures.

TOPICS INCLUDE

- Introduction to the hair and beauty sector
- Basic manicure treatment
- Basic pedicure treatment
- Health and safety practice in the salon
- Skin care
- Basic make-up application
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

On successful completion you can progress further by studying our Beauty Therapy, Hairdressing or Hair & Media Make-Up Level 2 Diplomas or seek entry level employment opportunities, for example, as a Salon Assistant.

BEAUTY THERAPY  
LEVEL 2 DIPLOMA | 1 YEAR

Entry Requirements: 5 GCSEs grade 9-3 (A\*-D) including English and Maths.

Or Level 1 Beauty Diploma and GCSEs grade 9-3 (A\*-D) in English and Maths.

Assessment: A portfolio of practical work, exams and assignments.

Practising in our commercial salon you will develop the necessary knowledge, understanding and skills to provide facial skincare, eyelash and brow treatments, waxing techniques, manicure and pedicure treatments and applying make-up.

You will also develop the knowledge and skills required focusing on client care, and learn how to comply with health and safety requirements in professional salons.

TOPICS INCLUDE

- Facial skin care
- Eyelash and eyebrow treatments
- Hair removal using waxing techniques
- Make-Up application
- Health and safety practice in the salon
- Client care and communication in beauty related industries
- Manicure and pedicure treatments
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Upon successful completion you will have the skills to start work in a salon and/or progress to a Level 3 qualification at the College, building on your knowledge and working your way up to higher level work/study.

BEAUTY THERAPY  
LEVEL 3 DIPLOMA | 1 YEAR

Entry Requirements: Beauty Therapy Level 2 Diploma and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: A portfolio of practical work, exams and assignments.

This course is ideal for Beauty Therapists aspiring to set up a small business or for those looking to work within the beauty, spa or leisure industry.

You'll learn all aspects of the beauty industry including how to contribute to the financial effectiveness of a business and how to promote additional services to clients.

There will be many opportunities to try out your practical skills on fellow classmates and apply treatments to paying members of the public, all of which help develop your communication and customer service skills.

TOPICS INCLUDE

- Body massage
- Body and facial electrotherapy treatments
- Massage using pre-blended aromatherapy oils
- Microdermabrasion
- Anatomy and physiology
- Health and safety practice in the salon

YOUR NEXT STEPS

Completion of this qualification could lead to a job as a Senior Beauty/Spa Therapist working in a beauty salon or spa. You may also progress onto higher education and enrol onto a foundation degree in a related subject at ESC or with another training provider.

HAIRDRESSING  
LEVEL 1 DIPLOMA | 1 YEAR

Entry Requirements: 4 GCSEs grade 9-2 (A\*-E) including English and Maths.

Assessment: A portfolio of practical work, exams and assignments

This course is an introduction to the hair industry where you will gain skills in a range of areas including assisting in the salon styling women's hair. It offers an insight into the services and treatments provided in professional salons.

Working in our purpose built salons you will be supported to develop the skills you need to progress and the technical qualifications ready for the next level.

TOPICS INCLUDE

- Presenting a professional image in a salon
- Shampoo and conditioning
- Create a hair and beauty image
- Colour hair using temporary colour
- Styling women's and men's hair
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Successful completion of the course will enable you to progress to a Level 2 Hairdressing or Beauty Therapy Diploma at ESC.

You could also go on to pursue a career in hair, barbering or beauty therapy or start a Level 2 apprenticeship.

HAIRDRESSING  
LEVEL 2 DIPLOMA | 1 YEAR

Entry Requirements: 5 GCSEs grade 9-3 (A\*-D) including English and Maths.

Or: Hairdressing Level 1 Diploma and GCSEs grade 9-3 (A\*-D) in English and Maths

Assessment: A portfolio of practical work, exams and assignments.

Develop your practical techniques in a broad range of women's hairdressing skills to become a Junior Stylist.

During this course you will develop a sound knowledge and understanding of the theory to each unit and gain the employability skills needed to become a successful hairdresser.

TOPICS INCLUDE

- Client consultation for hair services
- Colour and lighten hair
- Cut women's hair
- The art of dressing hair
- The art of colouring hair
- Health and safety practice in the salon
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Progression from this course can lead you to study on our Hairdressing Level 3 Diploma or to an advanced apprenticeship at Level 3.

Successful completion will also provide you with the necessary skills and knowledge to continue as a Salon Assistant in the workplace.

HAIRDRESSING  
LEVEL 3 DIPLOMA | 1 YEAR

Entry Requirements: Hairdressing Level 2 Diploma and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: A portfolio of practical work, exams and assignments.

Update and extend your hairdressing skills including advanced colouring techniques and cutting edge fashion work. You will take part in a variety of shows and competitions throughout the year to help develop your career to become a top stylist or hair trainer.

TOPICS INCLUDE

- Hairdressing techniques
- Colour hair using a variety of techniques
- Provide colour correction services
- Create a variety of permed effects
- Monitor procedures to safely control work operations
- Optional: Provide creative hair extension services (additional cost of approximately £250)

YOUR NEXT STEPS

You will have the chance to progress into employment working in a salon or continue to develop your skills on a higher apprenticeship, Higher Education course at ESC or an undergraduate degree at university.

HAIR & MEDIA  
MAKE-UP

LEVEL 2 DIPLOMA | 1 YEAR

Entry Requirements: 5 GCSEs grade 9-3 (A\*-D) including English and Maths.

or: Level 1 Hairdressing or Beauty Diploma and GCSEs grade 9-3 (A\*-D) in English and Maths

Assessment: A portfolio of practical work, exams and assignments.

This qualification has been specifically designed to enable you to learn and develop your skills in both aspects of hairdressing and media make-up.

You will be taught the make-up techniques required to perform many professional media, fashion and catwalk looks whilst developing your hairdressing skills to complement your make-up designs.

TOPICS INCLUDE

- The art of photographic make-up
- The art of dressing hair
- Applying make-up
- Create an image based on a theme within the hair and beauty sector
- Face painting and body art
- Period make-up
- Health and safety practice in the salon
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Previous students have gone on to gain work placement opportunities and employment on photoshoots and fashion shows; whilst others have gone on to develop their skills on our Fashion & Media Make-Up or Theatrical, Special Effects & Media Make-Up Level 3 Diplomas.

FASHION & MEDIA  
MAKE-UP

LEVEL 3 DIPLOMA | 1 YEAR

Entry Requirements: Hair & Media Make-Up Level 2 Diploma, Art Level 3 or Art A Level and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: A portfolio of practical work, photographic evidence, exams and assignments.

This qualification builds on existing knowledge and understanding of make-up artistry gained at Level 2 enabling you to expand your technical skills to prepare for a career as a Make-Up Artist.

TOPICS INCLUDE

- Airbrush make-up for the face
- Camouflage make-up
- Fashion and photographic make-up
- Media make-up
- Fantasy hair design
- Style and fit postiche
- Creative hairdressing
- How to design and apply face and body art
- Provide eyelash and brow treatments

YOUR NEXT STEPS

You can progress onto the Theatrical, Special Effects & Media Make-Up Level 3 Diploma or employment within industry, working for cosmetic fashion houses or working as a Make-Up Artist in a salon, beauty department store or as a freelance Make-Up Artist.

THEATRICAL, SPECIAL  
EFFECTS & MEDIA  
MAKE-UP

LEVEL 3 DIPLOMA | 1 YEAR

56 UCAS Points (Grade D\*)

Entry Requirements: Hair & Media Make-Up Level 2 Diploma, Art Level 3 or Art A Level and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: A portfolio of practical work, photographic evidence, exams and assignments.

You will produce avant-garde and commercial looks, including the hair styling and costumes to complement your make-up designs. You will be taught how to develop your skills to create looks that could be used in film, television, fashion and media.

TOPICS INCLUDE

- Media make-up (special effects)
- Air brush make-up
- Camouflage make-up
- Fashion and photographic make-up
- Apply prosthetic pieces and bald caps
- Style and fit postiche (wigs, facial hair and hairpieces)
- Monitor and maintain health and safety practice in the salon

YOUR NEXT STEPS

The next steps after this course are endless! You can progress straight into employment or enrol on a higher or degree apprenticeship.

You can also develop further skills on a higher education course at ESC studying or a degree programme at university.

MEET MIA

THEATRICAL, SPECIAL  
EFFECTS & MEDIA MAKE-UP  
LEVEL 3

In her first year at ESC, Mia studied Art and Design before moving on to Theatrical Make-Up

Mia learned a wide range of hair and make-up skills and was inspired by visiting make-up artists and masterclasses. She excelled in competitions, coming first in a Drag Queen competition and second in a Zodiac-themed contest.

Mia enjoyed her work experience doing hair and make-up for a production of the musical Grease.

*"My tutors have been so inspiring, especially when sharing their expert knowledge and experiences in their field."*

Mia is progressing onto the Foundation Degree in Make-Up, Special Effects & Hair for Media & Performance at ESC.

# HEALTH & SOCIAL CARE

If you want to work with adults in need of support with disabilities or health problems, you can develop the knowledge and experience for a rewarding career in the care sector.

We offer a wide range of courses from Level 1 to Level 3 Extended Diploma, so there's a course for you whether you want to work with adults or young people.

We work in partnership with employers in the East Surrey Care Academy to build pathways into the sector, raising the appreciation and status of careers in the Caring industry. The goal is to educate, train and prepare students to progress into a career in the industry with direct access to local employers such as Surrey and Sussex Healthcare NHS Trust, Surrey Care Association and First Community Healthcare.

## YOUR STUDIES MAY INCLUDE:

- A work placement
- Taking part in enrichment activities including fundraising for Macmillan and other charities
- Trips and visits
- Attending talks and presentations from guest speakers

## THINGS TO NOTE BEFORE YOU START

- A DBS check needs to be completed before you can commence your course – please submit your application as early as possible
- There will be a cost for any trips
- You will need to buy a uniform
- Work placements are mandatory on Level 2-3 courses

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"I love it here, there's a really good atmosphere around the College."*

**HANNAH**  
HEALTH & SOCIAL CARE  
LEVEL 3

*Thinking about an Apprenticeship?*  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

## FUTURE CAREER PATHS INCLUDE

Cognitive Therapist  
Healthcare Assistant  
Midwife  
Nurse  
Paramedic  
Physiotherapist  
Psychologist  
Social Worker

➤ Courses taught by skilled and dedicated tutors with industry knowledge

➤ Develop the listening, interpersonal and communication skills required for this industry

➤ Working as part of the East Surrey Care Academy to help educate, train and prepare young people for a career in the health or social care industry

INTRODUCTION TO  
HEALTH, SOCIAL  
CARE & CHILDREN'S  
& YOUNG PEOPLE'S  
SETTINGS

LEVEL 1 DIPLOMA (NCFE CACHE)  
1 YEAR

Entry Requirements: 4 GCSEs  
grade 9-2 (A\*-E) including English  
and Maths.

A clean DBS check.

Assessment: Coursework.

This course offers an introduction into  
the health and social care environment  
and covers working with a wide range  
of client groups and the role played by  
workers. This ranges from principles  
and values through to health and  
safety and working with others.

This course will help you reach your  
full potential by encouraging and  
developing the personal skills and  
qualities needed to work in the health  
and social care sector.

TOPICS INCLUDE

- Safeguarding
- Introduction to learning disabilities
- Introduction to dementia
- Job opportunities in health and  
social care
- Working with others
- Personal and social skills
- English and Maths (if not already  
achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

After successfully passing the Level 1  
Diploma, you could further develop  
your skills on our Health & Social  
Care Level 2 Extended Certificate  
qualification.

HEALTH &  
SOCIAL CARE

LEVEL 2 EXTENDED CERTIFICATE  
1 YEAR

Entry Requirements: 5 GCSEs grade  
9-3 (A\*-D) including English and  
Maths; or Level 1 Diploma Merit/  
Distinction and GCSEs grade 9-3 (A\*-  
D) in English and Maths.

A clean DBS check.

Assessment: Coursework, practical  
work placements and external  
exams.

This course has been designed for you  
if you are interested in working within  
the health or social care environment.

You will have the chance to build up  
your practical experiences through  
a work placement, where you are  
assessed to complete a vocational unit.  
This could mean working in a hospital  
or with the elderly, children or those  
with additional needs.

TOPICS INCLUDE

- Individual rights and needs in health  
and social care
- Safe environments in health and  
social care
- Healthy living
- Human lifespan development
- English and Maths (if not already  
achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

You will have the necessary skills and  
knowledge to work in entry level roles  
in the health and social care industry  
including Care Assistant, Ward  
Assistant or Residential Care Assistant.

Many of our students have secured  
successful employment and  
apprenticeships in industry, with  
others progressing onto the Health &  
Social Care Level 3 Extended Diploma.

HEALTH

LEVEL 3 | 2 YEARS

T LEVEL // See page 16 for more info

168 UCAS Points (Grade D\*D\*D\*)

Entry Requirements: 5 GCSEs  
grade 9-4 (A\*-C) including English  
and Maths; or Level 2 Extended  
Certificate/Diploma Merit/Distinction  
and GCSEs grade 9-4 (A\*-C) in English  
and Maths.

A clean DBS check.

Assessment: Coursework,  
externally set exams and practical  
work placements.

This is a practical, work related course.  
You will develop the core knowledge  
and skills that are needed for entry to a  
range of health occupations.

TOPICS INCLUDE

- Working within the health and  
science sector
- Health, safety and environmental  
regulations
- Managing information and data
- Principles of good scientific and  
clinical practice
- Core science concepts
- Understanding the healthcare sector
- Providing person-centred care
- Supporting health and wellbeing
- Human anatomy, physiology,  
diseases and disorders
- Infection prevention and control

YOUR NEXT STEPS

Completing this T Level will allow you  
to progress to university level study in  
adult and children's nursing, mental  
health, youth work or public health  
or other allied health professions.

You may progress into employment or  
an apprenticeship across a wide range  
of healthcare career paths.

MEET CHLOE  
HEALTH & SOCIAL CARE  
LEVEL 3

Chloe was inspired to study  
Health & Social care by her mother  
working in a care home. She  
joined the College at Level 2 and  
was encouraged by her tutors to  
progress to Level 3 to open up  
more career opportunities.

During her course, Chloe  
completed 100 hours of work  
experience in a primary school  
which influenced her to want to  
work with young children.

*"It's such a broad course which  
enables you to find out about  
what best suits you and what you  
enjoy most. I've got to work with  
so many amazing people from all  
walks of life and have found my  
purpose in the care sector."*

Chloe's next step is to study  
Early Education at the University  
of Portsmouth with the aim  
of becoming a Primary School  
teacher.

# LIFE SKILLS – ESOL

(English for Speakers of Other Languages)

If English is not your first language, an ESOL course could really help you improve your English Language skills. You can develop reading, writing and speaking skills while broadening your English vocabulary.

Joining one of our courses will provide you with the opportunity to gain a recognised qualification as well as build the confidence and skills required to help you to progress onto other College courses or into work.

## YOUR STUDIES MAY INCLUDE:

- Accredited qualifications to help you to progress onto College courses and/or improve your route to employment or an Apprenticeship
- Transferable skills that can be used in all future courses
- Taking part in taster sessions for various courses, talks with guest speakers and a range of team-building and enrichment trips and activities
- Participating in fundraising events

## THINGS TO NOTE BEFORE YOU START

- There may be a cost for trips and other relevant items relating to your course.

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"It's a good course, we get a lot of attention and support. When you do something good you get praised and when you do less well, you get constructive feedback."*

PAMELA  
ESOL LEVEL 1

## SKILLS GAINED ON THESE COURSES

Communication Skills  
Computer Skills  
Employability Skills  
Independent Living Skills  
Numeracy & Literacy Skills  
Team Work  
Reading English  
Writing English

» You can interact and make friends from different countries and cultures

» Transferable skills that can be used in other College Full-time courses or future employment

» Specialised teaching in English and Maths from skilled tutors, with projects tailored just for you

ENGLISH FOR  
SPEAKERS OF OTHER  
LANGUAGES (ESOL)

ENTRY LEVEL 1, 2 & 3 | 1 YEAR

**Entry Requirements:** This qualification is for 16-18 year olds only.  
**We will provide all new students with a free English language test to check their entry level.**

**Assessment:** ESOL exams.  
On this course you will study the English language and citizenship themes whilst improving your grammar, speaking and listening skills, and writing (formal and informal).  
As part of your learning, you will complete an Ascentis Entry Level 3 award in Employment, Digital and Community Engagement Skills for English Language learners; preparing you to continue in education and improve your employability and digital skills.

TOPICS INCLUDE

- Speaking, listening, reading and writing skills
- Employability and personal development
- Communication
- Functional Skills Maths

YOUR NEXT STEPS

You'll have the chance to progress onto the next entry level course offered at ESC.  
After completion you can move onto Level 1, focusing on your ESOL skills and opening opportunities into employment or a Full-time vocational course.

ENGLISH FOR  
SPEAKERS OF OTHER  
LANGUAGES (ESOL)

LEVEL 1 | 1 YEAR

**Entry Requirements:** This qualification is for 16-18 year olds only.  
**We will provide all new students with a free English language test to check their entry level.**

**Assessment:** ESOL exams.  
This programme is ideal if English is not your first language and you are living in the UK, wanting to improve your English.  
You'll be taught how to improve your grammar, speaking and listening skills, and writing (formal and informal).  
As part of your learning, you will complete an Ascentis Entry Level 3 award in Employment, Digital and Community Engagement Skills for English Language learners; developing your confidence to communicate with future employers or continue in education.

TOPICS INCLUDE

- Speaking, listening, reading and writing skills
- Employability and personal development
- Functional Skills/GCSE Maths
- Team building through our enrichment programmes such as art classes and sporting activities
- Work experience

YOUR NEXT STEPS

Successful completion of your course will allow you to continue learning on a full-time vocational course at the College, seek employment or enrol on an apprenticeship.

MEET ADONAY  
ESOL LEVEL 1

Adonay is an Aylum Seeker from Eritrea. The College was recommended by his social worker and he is now in his second year studying English.  
His favourite part of the course has been working on a pantomime where students were required to read, learn and deliver lines.

*"The course is never boring! I'm really enjoying it and my English has improved a lot. The teachers here are the best."*

In addition to his studies, Adonay enjoys playing basketball and mixing with other students at the College. He was recently given a Young Leadership award for his voluntary work at the Big Leaf Foundation which works with displaced young people.  
With his improved English, Adonay will be moving on to the Art & Design Level 2 course to pursue his love of art.

# LIFE SKILLS – SEND

We understand everyone has different needs, so we work closely with parents and students to enable you to select the right programme.

Our courses are designed to help you reach your full potential and enhance your life skills. Our specialist pathways develop the confidence, skills and knowledge you will need to progress onto independent living, employment or further study.

You will have opportunities to take part in food preparation, IT, communication and team building activities. You will also develop Maths and English skills and take qualifications in functional skills or GCSEs if appropriate.

The majority of our students will be fully integrated into College life. Students on our SEND courses are invited to take part in a range of College activities including sports, the annual Freshers' Fair and Job Fair.

**YOUR STUDIES MAY INCLUDE:**

- Trips out to demonstrate the independent skills learnt in the classroom
- Experiences in the workplace
- Lunch clubs
- Enterprise projects

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"Saffie has matured a lot and grown in confidence this year."*

**SAFFIE'S PARENT**  
SUPPORTED INTERNSHIP  
LEVEL 1

**SKILLS  
GAINED ON  
THESE COURSES**

Art & Enterprise  
Communication Skills  
Computer Skills  
Employability Skills  
Healthy Living Skills  
Independent Living Skills  
Numeracy & Literacy  
Team Work

» Our SEND team work closely with parents and students to develop specialist programmes

» Specialist tutors and assistants are on hand to support students with Special Educational Needs and Disabilities

» The Hub is a fun and inclusive environment to help develop social skills and students can also make use of the Learning Resource Centre, IT suite, garden, art room, gym and sports hall

**PERSONAL PROGRESS**  
**ENTRY LEVEL 1 | 1-3 YEARS**

**Entry Requirements:** EHCP, interview and assessment.

**Assessment:** Portfolio of evidence. Observations during practical activities.

This course has been designed to develop your skills in areas such as communications, reading and writing, mathematics, independent living, community access and learning how to engage with the world around you.

The course is offered to those who need to further develop their personal, social and independent skills to prepare them for adulthood and future employment.

**TOPICS INCLUDE**

- Communication
- Following instructions
- Developing English skills
- Developing Maths skills
- Developing independent living skills

**YOUR NEXT STEPS**

Once you have successfully completed this course you can progress onto other Life Skills courses offered at ESC such as Skills for Independence and Skills for Work.

**SKILLS FOR INDEPENDENCE**  
**ENTRY LEVEL 2 & 3 | 1-3 YEARS**

**Entry Requirements:** EHCP, interview and assessment. This course is available across Entry Level 2, Entry Level 3 and Level 1. Individual needs are taken into account to assess the appropriate course level.

**Assessment:** Portfolio of evidence. Observations during practical activities.

This course will prepare you to become more confident and help prepare you for independent living as an adult at home and in the local community.

You will have opportunities to develop your knowledge and skills in areas such as getting out and about, being healthy, looking after your own home and dealing with day-to-day problems.

**TOPICS INCLUDE**

- Developing skills for work and independent living
- Practical life skills
- Functional Skills (English, Maths and ICT)
- Cooking and healthy living
- Horticulture
- Community access

**YOUR NEXT STEPS**

You will achieve skills, confidence and qualifications at either Entry Level 2, Entry Level 3 or Level 1 to progress onto the next level. If you have successfully completed the Level 1 qualification and meet entry requirements, you can further your studies on a vocational course at ESC.

**SKILLS FOR WORK**  
**ENTRY LEVEL 2 & 3 | 1-3 YEARS**

**Entry Requirements:** EHCP, interview and assessment. This course is available across Entry Level 2, Entry Level 3 and Level 1. Individual needs are taken into account to assess the appropriate course level.

**Assessment:** Portfolio of evidence. Observations during practical activities.

This course has been designed to provide you with the opportunity to develop the skills required for future employment.

You will develop a range of personal, social, learning and employment skills that will help you progress to further study or prepare you for the world of work.

**TOPICS INCLUDE**

- Employability skills
- English
- Maths
- ICT
- Cooking & healthy living
- Business enterprise
- Volunteering
- Social action

**YOUR NEXT STEPS**

Successful progression into work is encouraged and supported with previous students progressing onto our Supported Internship Level 1 programme.

You will achieve skills, confidence and qualifications at either Entry Level 2, Entry Level 3 or Level 1 to progress onto the next level. If you have successfully completed the Level 1 qualification and meet entry requirements, you can further your studies on a vocational course at ESC.

**STEPPING INTO WORK  
(PRE-SUPPORTED  
INTERNSHIP)**

**LEVEL 1 | 1 YEAR**

**Entry Requirements:** EHCP, interview and assessment. Working at a minimum of Entry Level 3 in English and Maths.

**Assessment:** Portfolio of evidence. Observations during practical activities and in the workplace.

This course focuses on the skills, knowledge and behaviors required to be work ready. This will include interview skills, CV writing, undertaking work placements (students are encouraged to source their own placement where possible). This will prepare you for the Supported Internship course which is designed to support you into paid work having these skills will support your success on the course.

**TOPICS INCLUDE**

- Work placement
- Volunteering
- ICT
- Functional Skills and or GCSE Maths and English

**YOUR NEXT STEPS**

Once you have successfully completed this course you can progress onto the Supported Internship Level 1 course.

**SUPPORTED  
INTERNSHIP**

**LEVEL 1 | 1 YEAR**

**Entry Requirements:** EHCP, interview and assessment. Working at a minimum of Entry Level 3 in English and Maths.

**Assessment:** Portfolio of evidence. Observations during practical activities and in the workplace.

The Supported Internship is a one year programme designed to develop the skills required for those with SEND to access employment.

This is a fantastic opportunity for you to see what work is really like and what suits you.

You will attend College one day a week to learn the skills required in the workplace. Our Job Coaches are on hand to help identify your career aspirations and job match where possible based on your interests that can be developed into a career path. The hours and days in work are linked to each individual and the needs of the business.

**TOPICS INCLUDE**

- Job search techniques
- Interview skills
- Health and safety in the workplace
- Working with others
- Personal presentation

**YOUR NEXT STEPS**

Successful progression into work is encouraged and supported with previous students progressing into employment or further study on a full-time vocational course at ESC.

**PROGRESS TO  
VOCATIONAL STUDY**

**LEVEL 1 | 1 YEAR**

**Entry Requirements:** EHCP, interview and assessment. Working at a minimum of Entry Level 3 in English and Maths.

**Assessment:** Portfolio of evidence. Observations during practical activities and in the workplace.

This course will support you to progress onto a vocational course. If you have an EHCP and require time to settle into college and or are progressing on from another SEN course the focus is on developing the academic skills and behaviours ready for your next steps. This includes strategies to help you manage in college, organisational skills and development of your English and Maths.

**TOPICS INCLUDE**

- Functional skills and or GCSE Maths and English
- ICT
- Study skills

**YOUR NEXT STEPS**

Level 1 vocational course options across the curriculum include courses in Hair, Beauty & Spa; Health & Social Care; Motor Vehicle; Construction; Business, Accounting & IT; Public Services & Sport and courses run by Reigate School of Art.

**GET READY  
LEVEL 1 | 1 YEAR**

**Entry Requirements:** Young people do not need any formal qualifications for this programme, but will be interviewed to assess their suitability and motivation, ensuring that we can meet their needs.

**Assessment:** Coursework.

This course has been designed for learners who may not be ready for a mainstream vocational course and require a more supported first year to develop the required skills and behaviours required. The course is delivered by staff experienced working with young people and builds in coaching and mentoring and personal development.

Reasons for choosing the course include anxiety, time out of education and not having Maths or English grades.

**TOPICS INCLUDE**

- Study skills
- Strategies to self-manage
- Group volunteering and social action projects
- Work placement
- Functional skills and or GCSE Maths and English

**NEXT STEPS**

Once students have successfully completed this introductory course they will, depending on their tutor reference, be able to progress at the College onto a vocationally focused Level 1 course.

**MEET RYLAN  
SUPPORTED INTERNSHIP  
LEVEL 1**

Rylan joined this course having progressed through Entry Levels 1-3 at ESC.

On his work placement Rylan serves customers, prices items and checks donations at the 'Re-Use it' shop in Dorking. He completes a daily work diary, recording the things he has learned.

*"I really enjoy working in retail. The Internship is really good, I have learned a lot and feel much more confident. My teachers are really helpful and always there to support you."*

The Shop Manager described Rylan as "very keen and motivated – a complete team player and very good with customers – a credit to the College!"

Inspired by his course and experiences, Rylan has developed a passion for retail and hopes to continue working in the sector.

# MOTOR VEHICLE

Are you passionate about cars and interested in how to repair, restore and maintain them? Our motor vehicle courses will help you start your career by giving you the knowledge and practical skills employers are looking for.

Our courses are taught by our expert staff, who have many years of industry experience and knowledge, and you'll get plenty of hands-on experience in our well-equipped workshops. You will also have the chance to broaden your horizons with visits from local employers and trips to track days.

## YOUR STUDIES MAY INCLUDE:

- Trips to industry
- Visits by guest speakers and industry leaders

## THINGS TO NOTE BEFORE YOU START

- You will need to buy your own personal protection equipment (PPE – boots, goggles and protective clothing)
- You also need to purchase a uniform which includes polo shirt, sweatshirt and trousers
- There will be a cost for any trips
- You will need to arrange industry work experience
- Those on Level 1 and 2 programmes will need to study English and Maths as part of their programme if this has not already been achieved at GCSE grade 9-4 (A\*-C)

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"I really enjoy the course. It's fun when we are in the workshop and I like the practical elements as they're hands on."*

AMBER  
VEHICLE MAINTENANCE  
& REPAIR LEVEL 3

**Thinking about an Apprenticeship?**  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

## FUTURE CAREER PATHS INCLUDE

Automotive Designer  
Body Repair Technician  
Car Valet  
Garage Manager  
Mechanic  
Motor Vehicle Fitter  
Motor Vehicle Technician  
Production Manager

➤ Excellent links with independent garages, dealers and suppliers such as Halfords

➤ Motor Vehicle students service, upgrade and modify cars as part of their studies

➤ Hands-on experience taught in modern motor vehicle workshops, using industry standard equipment

INTRODUCTION  
TO VEHICLE  
TECHNOLOGY

ENTRY LEVEL DIPLOMA | 1 YEAR

**Entry Requirements:** Few formal qualifications, ideally 4 GCSEs grade 9-1 (A\*-G) or equivalent in English and Maths only.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Continued practical assessment/portfolio evidence and phase tests.

This Entry Level Diploma will introduce you to a number of motor industry skills and vehicle repair; you will learn vehicle servicing and repair through a mixture of practical and theoretical tasks on vehicles in our well-equipped motor vehicle workshop and classrooms.

TOPICS INCLUDE

- Engine component principles
- Cooling and lubrication checks
- Steering and suspension principles
- Component fitting
- Brakes/wheels/tyre checks
- Vehicle construction and maintenance
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

After completing this qualification, you may wish to continue progression onto the Vehicle Maintenance & Repair Level 1 Diploma at ESC.

Alternatively, you may wish to secure employment within entry level motor vehicle roles in a garage, or take on an apprenticeship.

VEHICLE  
MAINTENANCE  
& REPAIR

LEVEL 1 DIPLOMA | 1 YEAR

**Entry Requirements:** 4 GCSEs grade 9-2 (A\*-E) including English and Maths or: Introduction to Vehicle Technology Entry Level Diploma and GCSEs grade 9-4 (A\*-C) in English and Maths.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Continued practical assessment/portfolio evidence, phase tests and online multiple choice tests.

This course offers an introduction to motor vehicle maintenance theory and practice. Designed to prepare you for a career in the motor vehicle maintenance and repair industry, you will learn the basics of all the major motor vehicle systems through practical learning tasks and the associated theory.

TOPICS INCLUDE

- Exhaust systems
- Spark ignition systems
- Steering and suspension systems
- Braking systems
- Wheels and tyres
- Vehicle driveline maintenance
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

You would have gained the skills and knowledge to progress onto the Vehicle Maintenance & Repair Level 2 Certificate at ESC or progress into the workplace in a garage or as an apprentice within the motor trade.

VEHICLE  
MAINTENANCE  
& REPAIR

LEVEL 2 CERTIFICATE | 1 YEAR

**Entry Requirements:** Vehicle Maintenance & Repair or Vehicle Fitting Level 1 Certificate or equivalent and GCSEs grade 9-3 (A\*-D) in English and Maths.

**Note:** Appropriate uniform/PPE is required in workshops and classrooms.

**Assessment:** Continued practical assessment/portfolio evidence, phase tests and online multiple choice tests.

This course enables you to further your career as a Vehicle Fitter. You will extend your learning of vehicle repair through a mixture of practical and theoretical tasks in our high quality, well-equipped motor vehicle workshops and classrooms.

TOPICS INCLUDE

- Job roles in the automotive industry
- Materials, fabrication and tools
- Light vehicle steering
- Light vehicle wheel alignment
- Light vehicle servicing
- Vehicle batteries and related components
- Light vehicle suspension
- Light vehicle braking systems
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Successful completion of all elements of this course will allow you to progress on to further study, including the Motorsports Level 3 Extended Diploma. Your knowledge and skills will be useful in gaining employment within the automotive industry in a number of roles such as sales or service repair.

MEET ISABEL  
VEHICLE MAINTENANCE  
& REPAIR | LEVEL 2

Isabel has always had a passion for cars. She wanted to get into car modification and work in the mechanics trade so when the Motor Vehicle course at the College was suggested by her School, she decided to apply.

*"It seemed really interesting and it was what I wanted to do, so it seems liked a great opportunity for me. I'm very much enjoying the course as I get to do a mixture of course work and actually working on the vehicles."*

Outside of College, Isabel works at a local Car Mechanics company which has expanded her knowledge and helped with her coursework. Isabel plans to progress onto an Apprenticeship with her current employer.

# PUBLIC SERVICES & SPORT

Our Public Services courses could lead to an exhilarating career in the Armed Forces, Emergency Services or Prison Services, or perhaps you are interested in sports coaching or personal training? These courses will help you reach your goal.

Our courses are designed to prepare you for entry into the Public Services or Sports sectors and will give you the experience and fitness levels you'll require in the future.

You'll be taught by our team of industry experienced tutors who will develop your communication, leadership and team working skills for progression onto Higher Education or future employment.

## YOUR STUDIES MAY INCLUDE:

- Taking part in camping trips/expeditions/water sports
- External visits such as to the Houses of Parliament and the Imperial War Museum
- Talks and presentations from Public Service workers such as the Royal Marines
- Learning team building and navigation skills
- Taking part in outdoor adventure activities

## THINGS TO NOTE BEFORE YOU START

- You will need to purchase a Public Services/Sport uniform (polo shirt/fleece/trousers/boots)
- You will need to have/buy basic expedition equipment for camping trips
- You'll need to pay for any expeditions, water sports and additional short qualifications that are offered

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"A highlight for me was the camping trip to the New Forest, which was character building but also a lot of fun."*

MATT  
PUBLIC SERVICES  
LEVEL 3

*Thinking about an Apprenticeship?*  
Check out the range of subjects we offer from Level 2 to Higher and Degree Level – page 14-15!

## FUTURE CAREER PATHS INCLUDE

Armed Forces  
Athlete  
Sports Coach  
Personal Trainer  
Physiotherapist  
Police Officer  
Firefighter  
Paramedic

» In person and virtual talks by emergency services and armed forces

» There is a spacious and well equipped gym and Sports Hall where you will be taught all practical elements

» Specially designed College Sport and Public Services uniform

PUBLIC SERVICES

LEVEL 1 INTRODUCTORY  
DIPLOMA | 1 YEAR

Entry Requirements: 4 GCSEs  
grade 9-2 (A\*-E) including English  
and Maths.

Assessment: Coursework and  
practical assessments.

This introductory course is an ideal  
option for those wanting to work in  
services such as the police service,  
prison service, fire and rescue services,  
Royal Air Force, British Army and Royal  
Navy. It also provides a pathway onto  
the Level 2 programme.

This course is disciplined and practical  
and offers a wide range of subjects  
that will prepare you for a career  
within the services, giving you an  
idea of potential career paths. It  
offers a range of practical experience  
from expeditions, team building and  
leadership management to career  
planning, health and fitness.

TOPICS INCLUDE

- Being organised
- Research topic
- Planning and navigating a route
- Contributing to the community
- Taking part in sport and  
adventurous activities
- English and Maths (if not already  
achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

This qualification, once successfully  
completed, provides a great pathway  
onto the Public Services Level 2  
Extended Certificate, or to Level 2  
qualifications in other sectors such as  
sport.

It can also lead to a range of jobs  
working in industries including but  
not limited to sport, outdoor and  
adventurous, social and youth work  
and events.

PUBLIC SERVICES

LEVEL 2 EXTENDED CERTIFICATE  
1 YEAR

Entry Requirements: 5 GCSEs  
grade 9-3 (A\*-D) including English  
and Maths.

Assessment: Coursework, written  
exams and practical assessments.

This is a practical, work related course,  
which develops the necessary skills,  
knowledge and understanding to  
provide you with a sound, basic public  
services grounding.

This qualification will give you  
experience in a wide range of skills  
including leadership, teamwork and  
verbal and non-verbal communication.  
You will also complete work experience  
or a work based project during non-  
college days.

TOPICS INCLUDE

- Health and diet
- Leadership and teamwork
- Role and work of the public services
- Volunteering
- Fitness preparation
- Land based activities
- Outdoor expeditions
- English and Maths (if not already  
achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

On successfully completing this  
course you will have the opportunity  
to progress to Public Services Level 3  
Extended Diploma at ESC.

You will also be prepared to take on an  
apprenticeship or other employment  
if you are looking to pursue a career  
in the following areas: Police, fire and  
rescue services, ambulance service,  
Royal Navy, Royal Air Force or Army.

UNIFORMED  
PROTECTIVE SERVICES

LEVEL 3 EXTENDED DIPLOMA  
2 YEAR

168 UCAS Points (Grade D\*D\*D\*)

Entry Requirements: 5 GCSEs  
grade 9-4 (A\*-C) including English  
and Maths or: BTEC NQF Level 2  
Extended Certificate/BTEC QCF Level  
2 Diploma Merit/Distinction and  
GCSEs grade 9-4 (A\*-C) in English and  
Maths.

Assessment: Continued assessment  
through coursework and external  
examinations.

This course is disciplined, practical, and  
offers a wide range of subject areas  
that will prepare you for a career within  
the protective services industry. A  
variety of trips and visits are organised  
throughout your learning, including  
camping trips, indoor climbing, water  
based sports and expeditions. The  
course is continually assessed through  
assignments, practical based projects  
and external examinations. You will  
also take part in work experience or  
a work based project relevant to the  
subject area during your non-college  
days.

TOPICS INCLUDE

- Citizenship and diversity
- Behaviour and discipline
- Global affairs and the media
- Health and wellbeing
- Government and protective services
- Command and control

YOUR NEXT STEPS

Successful completion will allow you  
to continue your studies on our Public  
Services HNC course offered at ESC,  
study at Degree Level or train for an  
apprenticeship.

Previously, students have gone into a  
variety of career paths like the police,  
Royal Navy or Army.

Public Services students planted a tree  
for the Queen's Platinum Jubilee in 2022.

MEET ALANAH

PUBLIC SERVICES | LEVEL 3

Alanah chose this course as it  
looked really interesting with  
lots of physical elements such as  
watersports and rockclimbing.

Alanah really enjoyed the course,  
both in and out of the classroom.  
She took part three expeditions  
and went on trips to see different  
public services in action. These  
gave her the opportunity learn  
about specific roles and different  
options within public services.

Alanah also enjoyed the College's  
enrichment activities, some of  
which counted towards her silver  
Duke of Edinburgh Award.

*"I found the environment really  
supportive and the course has  
been really beneficial to help to  
get to where I'm going next."*

Alanah has recently joined  
Surrey Police at the age of 17,  
which is exceptional.

SPORT

LEVEL 1 INTRODUCTORY DIPLOMA | 1 YEAR

Entry Requirements: 4 GCSEs grade 9-2 (A\*-E) including English and Maths.

Assessment: Coursework and practical assessments.

The course is ideal as a first step for people with a keen interest in sport, who wish to progress into a career in the sport and leisure industry.

The topics covered on this course will provide you with a range of introductions to the body, exercise, practical sport and employment within sports industries. There will be an opportunity to complete qualifications in English and Maths, as well as participate in work experience or a work based project during non-college days.

TOPICS INCLUDE

- Being organised
- Developing a personal plan
- How exercise affects the body
- Playing sport
- Contributing to a sports event
- Keeping active and healthy
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Achieving and passing the course, as well as a good reference from the tutor, will allow you to move onto a Sport Level 2 Extended Certificate or another Level 2 course at the College. It can also lead to a range of jobs working in industries including but not limited to sport, outdoor and adventurous, social and youth work and events.

SPORT

LEVEL 2 EXTENDED CERTIFICATE 1 YEAR

Entry Requirements: 5 GCSEs grade 9-3 (A\*-D) including English and Maths or Level 1 Diploma (Merit/Distinction) including GCSEs grade 9-3 (A\*-D) in English and Maths.

Assessment: Coursework, computer based examinations and practical assessments.

This is a practical, work related course which develops skills, knowledge and understanding of the sport industry. Studying this qualification will give you experience in a wide range of skills from teamwork and communication to being able to assess someone's level of fitness. You will also complete work experience or a work based project during non-college days.

TOPICS INCLUDE

- Fitness for sport and exercise
- Practical performance in sport
- Anatomy and physiology
- Injuries in sport
- Principles of personal training
- The mind and sports performance
- Leading sports activities
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Successfully passing this course will allow you to move onto the Sport Level 3 Extended Diploma or another Level 3 course within the College depending on entry requirements. It can also lead to a range of industry-related jobs including but not limited to fitness instruction, coaching and event management.

Students in the past have gone onto various entry level job roles in industry or have taken on an apprenticeship in sport.

SPORT

LEVEL 3 EXTENDED DIPLOMA 2 YEARS

168 UCAS Points (Grade D\*D\*D\*)

Entry Requirements: 5 GCSEs grade 9-4 (A\*-C) including English and Maths or: BTEC NQF Level 2 Extended Certificate/BTEC QCF Level 2 Diploma Merit/Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths.

Assessment: Coursework, written examinations, synoptic assessment and practical assessments.

If you are interested in sport, this course will develop the necessary skills, knowledge and understanding to provide a successful progression route into the sport industry.

During your time at College you will undergo 14 units and a number of trips to help your learning for the world outside of College. In previous years trips such as taking part in professional sport science testing, water sports, rock climbing and further outdoor activities have provided the skills to progress further. You will also take part in work experience to further develop your skills and understanding within the sporting environment.

TOPICS INCLUDE

- Anatomy and physiology
- Fitness training and programming
- Professional development
- Sports leadership
- Application of fitness testing
- Practical sports performance

YOUR NEXT STEPS

Successful completion of this two-year programme could lead to studying a Sport and Exercise Science Higher National Certificate at ESC, higher education degree course at university or employment in sports development or the fitness industry.

MEET GEORGIE  
SPORT LEVEL 3

Georgie applied for this course as he has always enjoyed playing football, badminton and golf as well as being interested in how the body functions.

He really enjoyed the course, in particular the practical work and plans to gain further coaching qualifications. He would like to work with disabled children and young adults, introducing them to sport.

*"I felt incredibly safe and supported throughout. It's brilliant way to get you started on your journey."*

Georgie was proud to be awarded Bronze BTEC Sport Learner of The Year in July 2021 in recognition of his outstanding commitment to his course and support for his peers. He was also a valued member of the Student Council.

# REIGATE SCHOOL OF ART

Do you have an artistic flair that you're waiting to share with the world? Our exciting courses will challenge you to develop your creative skills even further and excel in your chosen discipline!

You'll have the chance to access our spacious studios including state-of-the-art multimedia Apple Mac studios – the perfect place for you to express yourself. We'll ensure you gain valuable practical experiences through our strong links with a wide range of employers where you will have numerous opportunities to work on live briefs and network with industry experts.

Our courses equip you with the skills and knowledge to display your work at the End of Year Exhibition, and to help prepare you for further education, university or the world of work.

We work in partnership with the University of the Arts London (UAL) a vibrant international centre for innovative teaching and research in arts, design, fashion, communication and the performing arts.

## YOUR STUDIES MAY INCLUDE:

- Going on a range of cultural and educational trips
- Taking part in internal and external competitions
- Working on live projects with a range of employers
- Collaborating with local artists
- Showcasing your work at the End of Year Exhibition
- Talks and presentations from industry experts

## THINGS TO NOTE BEFORE YOU START

- There will be a cost for any trips

Financial help may be available. Please contact our Client Services team on 01737 788444 for more information.

*"The facilities are great and are always available.*

*I have really enjoyed meeting new people with the same passion and interests as me."*

**MORGAN**  
FILM, TV & MEDIA PRODUCTION  
LEVEL 3

» Creative assignments and projects to help build a portfolio of work

» Courses taught by highly skilled and dedicated tutors made up of professional artists, music and sound producers, fashion and graphic designers, wig and prosthetics experts, photographers and film editors

## FUTURE CAREER PATHS INCLUDE

Animator  
Costume Designer  
Filmmaker  
Games Designer  
Graphic Designer  
Illustrator  
Sound & Music Producer  
Photographer

OUR FACILITIES

Reigate School of Art has a range of excellent studio facilities which provide a friendly and creatively stimulating environment to work in, ensuring students have the latest resources needed to develop their creative and professional potential including:

- Art and design studios
- Games design studio
- 3D modelling and animation studio
- Photography studios and darkroom
- Recording studio, production and editing suites
- Film studio with green screens and editing suite
- Printmaking studio
- Wet and dry 3D studios
- Theatrical make-up and prosthetics wet and dry studios
- Large number of Macs with industry standard software including Apple's Logic Pro, Avid Pro-Tools and the Adobe Creative Cloud apps – InDesign, Illustrator, Photoshop, After Effects and Premier Pro.

ual: awarding  
body

PROGRESSION ROUTES

Reigate School of Art students have various routes for progression including:

Further Education

Internal progression to a wide range of courses within Reigate School of Art.

Higher Education

Many students progress to prestigious art schools and universities nationally including:

**Orbital South Colleges  
University Centre**

**University of the Arts London**  
Central Saint Martins  
Chelsea  
Camberwell  
London College of Communication  
London College of Fashion

**University for the Creative Arts**  
Epsom  
Farnham  
Canterbury

**Glasgow School of Art**  
**Arts University Bournemouth**  
**Nottingham Trent University**  
**University of Oxford**  
**University of Leeds**  
**University of Birmingham**  
**University of Exeter**  
**University of Brighton**  
**University of Portsmouth**

...and many others!

Employment and Apprenticeships

Some students progress directly into employment or self-employment in the creative industries which offers a varied choice of careers. Apprenticeships are another alternative to further study.

ART & DESIGN

UAL† LEVEL 1 DIPLOMA | 1 YEAR

Entry Requirements: 4 GCSEs grade 9-2 (A\*-E) including Art or Design Technology, English and Maths.

Assessment: Portfolio of work.

This course offers a broad introduction to the creative sector and is suitable for those with very basic previous practical experience looking to explore, develop and test their creativity.

You will improve and explore your art and design skills whilst developing the personal skills and qualities needed for work to help you achieve your full potential. Start your journey on the route to a career in the creative industries.

TOPICS INCLUDE

- Drawing
- Painting
- Printmaking
- Mixed media
- Basic introduction to media
- Self directed final project
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

Completing this course will result in you developing a portfolio of work that could help support progression into a range of qualifications at Level 2.

Typically, students in the past have progressed onto the Art & Design Level 2 Diploma and Creative Media Level 2 Diploma.

ART & DESIGN

UAL† LEVEL 2 DIPLOMA | 1 YEAR

Entry Requirements: 5 GCSEs grade 9-3 (A\*-D) including Art or Design Technology, English and Maths; or Level 1 Diploma Merit/Distinction and GCSEs grade 9-3 (A\*-D) in English and Maths.

Assessment: Portfolio of work.

This course offers a more focused approach to strengthening your art and design skills and is suitable for those with previous basic practical experience.

You will explore the materials, methods and processes that support art and design activities, and begin to develop some related technical skills in order to help you to achieve your full potential.

TOPICS INCLUDE

- Drawing and painting
- 3D work
- Photography
- Digital imaging
- Graphics
- Animation
- Self directed final project
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

YOUR NEXT STEPS

This course provides a great progression route into the Art, Design & Communication Level 3 Extended Diploma at ESC specialising in subjects such as: graphic design, illustration, animation, 3D design, photography, fine art, film and more.

Alternatively, you may wish to progress directly into entry level roles in the creative industries.

ART, DESIGN & COMMUNICATION

UAL† LEVEL 3 EXTENDED DIPLOMA IN CREATIVE PRACTICE | 2 YEARS

168 UCAS Points (Grade D)

Entry Requirements: 5 GCSEs grade 9-4 (A\*-C) including Art or Design Technology, English and Maths; or Level 2 Diploma Merit/Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths. Mature students with or without formal qualifications are encouraged to apply.

Assessment: Portfolio of work.

This is a vocational alternative to A Levels offering a solid grounding to a specialism area of your choice. Ideal for those who want to explore and experiment with a range of different specialist areas within the creative industries. Support and guidance is provided for portfolio preparation, UCAS applications and job interviews.

TOPICS INCLUDE

- Fashion and textiles
- Graphic and multimedia design
- 3D design
- Fine art and illustration
- Animation
- Prop making
- Self directed final project

YOUR NEXT STEPS

Successful completion of this course will provide you with the necessary industry skills and understanding for an entry level role or training programme.

Further progression opportunities are available at the College on our Art & Design Level 4 Foundation Diploma as well as Higher Education courses in Graphic and Digital Design, Photography and more.

ART & DESIGN

UAL† LEVEL 4 FOUNDATION DIPLOMA | 1 YEAR

Entry Requirements: 1 A Level (or equivalent) in a relevant subject and GCSEs grade 9-4 (A\*-C) in English and Maths; or Level 3 Extended Diploma Merit/Distinction in a relevant subject and GCSEs grade 9-4 (A\*-C) in English and Maths. Mature students with or without formal qualifications may have relevant experience and are encouraged to apply.

Assessment: Portfolio of practical work and written assignments.

Aimed at post A Level students as well as mature students with relevant experience or qualifications, this course is a required prerequisite for most university level creative subject areas.

You will study a very broad range of subjects that include painting and drawing as well as workshops in 3D, traditional and non-traditional skills. There is a focus on materials, processes and methods as you develop your own considered approach. You will need to be self-motivated as you will be set challenging work. The Foundation Diploma programme at Reigate School of Art has a reputation for ensuring individual care and attention to its students.

Support and guidance is provided for portfolio preparation for UCAS applications or job interviews. The Foundation Diploma qualification is nationally regulated by Ofqual and awarded by the University of the Arts London Awarding Body.

TOPICS INCLUDE

- Art history
- Fine art, painting and installation
- Graphic design and illustration
- Fashion and textiles
- 3D design and crafts
- Animation
- Photography
- Theatre design
- Model making and prosthetics
- Games design
- Architecture
- Self directed final project

YOUR NEXT STEPS

This foundation course has a very high reputation for placing students on exceptional undergraduate degree or Higher National Diploma (HND) programmes across the country; across pathways in art, design and related subjects. Further progression opportunities are available at the ESC on our Higher Education courses in Graphic and Digital Design, Photography and more.

Alternatively, you may wish to progress directly into entry level roles in the creative industries.

MEET MAEVE

ART, DESIGN & COMMUNICATION LEVEL 3

Maeve has always loved drawing and art, achieving well in her Art GCSE.

She chose this course for its broad offer and the chance to experiment in different areas to see which direction she wanted to follow.

*“The College has great facilities for Art & Design students which you can use to try out lots of new things that you couldn’t before. The teachers are very supportive and will help you to succeed.”*

Maeve was delighted to have been chosen from over 500 college entries nationwide to exhibit her work at Origins Creatives 2022 in London.

Her artwork was also selected for display in the College Principal’s office.

† University of the Arts London Awarding Body

**CREATIVE MEDIA**  
**UAL<sup>†</sup> LEVEL 1 DIPLOMA | 1 YEAR**  
**Entry Requirements:** 4 GCSEs grade 9-2 (A\*-E) including, English and Maths.  
**Assessment:** Portfolio of practical work.  
This course offers a broad introduction to Creative Media and is suitable for those with very basic previous practical experience.  
You will explore a range of media skills whilst developing the personal skills and qualities needed for work to help you achieve your full potential.

- TOPICS INCLUDE**
- Photography & Photoshop
  - Games design
  - Film production
  - Sound production
  - Self directed final project

**YOUR NEXT STEPS**  
This course provides the progression route for a career in the creative industries with employment at a Junior Assistant level, or within the wider commercial/creative based industries. It can also provide the route to progress onto the Art & Design Level 2 Diploma or the Creative Media Level 2 Diploma.

**CREATIVE MEDIA**  
**UAL<sup>†</sup> LEVEL 2 DIPLOMA IN CREATIVE MEDIA PRODUCTION & TECHNOLOGY | 1 YEAR**  
**Entry Requirements:** 5 GCSEs grade 9-3 (A\*-D) including English and Maths; or Level 1 Diploma Merit/ Distinction and GCSEs grade 9-3 (A\*-D) in English and Maths.  
**Assessment:** Portfolio of work.

This course gives a broad introduction to the diversity of roles and responsibilities in the media sector and the personal and professional characteristics needed for a career in the creative media industry.  
You will learn the basic understanding of sound as well as still and moving image. Improve and explore your skills and techniques, whilst developing the personal skills and qualities needed for further study or work.

- TOPICS INCLUDE**
- Photography
  - Film production
  - Games design
  - 3D modelling
  - Sound production
  - Understanding your audience
  - Research
  - Personal media production project
  - Self directed final project
  - English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

**YOUR NEXT STEPS**  
Typically, previous students have progressed onto the Games, Animation & 3D Modelling Level 3 Extended Diploma and Film & TV Production Level 3 Extended Diploma, often specialising in an area of interest.

**GAMES, ANIMATION & 3D MODELLING**  
**UAL<sup>†</sup> LEVEL 3 EXTENDED DIPLOMA IN CREATIVE MEDIA PRODUCTION & TECHNOLOGY 2 YEARS**  
**168 UCAS Points (Grade D)**  
**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including English and Maths; or Level 2 Diploma Merit/ Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths. Mature students with or without formal qualifications are encouraged to apply.  
**Assessment:** Portfolio of work.

This course is a vocational alternative to the A Level route and provides a practical approach to gaining the skills needed for progression into a career in the gaming or wider creative industry. It will introduce you to both the creative and technical aspects of computer games, animation and 3D modelling through a variety of creative project briefs.

- TOPICS INCLUDE**
- Games design, development and production
  - Graphic design
  - Animation (2D and 3D)
  - 3D modelling
  - Computer game platforms and technologies
  - Sound production
  - Programming
  - Self directed final project

**YOUR NEXT STEPS**  
This course aims to provide you with the necessary skills for employment in the creative industry, or for progression to degree level study at other training institutions and universities.

**FILM & TV PRODUCTION**  
**UAL<sup>†</sup> LEVEL 3 EXTENDED DIPLOMA IN CREATIVE MEDIA PRODUCTION & TECHNOLOGY 2 YEARS**  
**168 UCAS Points (Grade D)**  
**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including English and Maths; or Level 2 Diploma Merit/ Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths. Mature students with or without formal qualifications are encouraged to apply.  
**Assessment:** Portfolio of work.

This course is a vocational alternative to the A Level route and has been designed to develop the skills required for progression into a career in the media industries or on to university.  
You will learn different aspects of the film and TV industry and gain an understanding of the general context of contemporary production.

- TOPICS INCLUDE**
- Film and television studies
  - Script writing for media products
  - Design and research skills
  - Factual programme production
  - Lens based media production
  - Critical and contextual studies in media
  - Audio and visual production and technology
  - Media processes and technical skills
  - Creative media production project
  - Self directed final project

**YOUR NEXT STEPS**  
Completion of this course is equivalent to three A Levels and will provide you with a pathway to further study at ESC at degree level, or into employment within the media industry.

**PHOTOGRAPHY**  
**UAL<sup>†</sup> LEVEL 3 EXTENDED DIPLOMA IN CREATIVE MEDIA PRODUCTION & TECHNOLOGY 2 YEARS**  
**168 UCAS Points (Grade D)**  
**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including English and Maths; or Level 2 Diploma Merit/ Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths. Mature students with or without formal qualifications are encouraged to apply.  
**Assessment:** Portfolio of work.

This course is a vocational alternative to the A Level route and gives you a thorough grounding in a range of traditional and contemporary photographic skills and techniques, introducing the essential skills needed to build your photographic portfolio. You will develop your visual style and knowledge, through exploring a variety of creative project briefs.

- TOPICS INCLUDE**
- Visual communication
  - Documentary and editorial photography
  - Creating personal photo-stories
  - Digital imaging and manipulation
  - Alternative techniques and processes
  - Traditional darkroom techniques
  - Research into contemporary photographers
  - Critical and contextual studies
  - Professional practice (exhibiting)
  - Self directed final project

**YOUR NEXT STEPS**  
Progression to a range of Higher Education courses at ESC including Photography FdA and the Photography BA (Hons) Top-Up Degree.

<sup>†</sup> University of the Arts London Awarding Body

**MEET BEN**  
**SOUND & MUSIC PRODUCTION LEVEL 2**

Ben grew up in South Africa, where he developed a love for music and played drums in a marimba band. On moving to the UK, he enrolled on this course with a view to forging a career as a sound engineer.

*“My course is engaging, and this is the most I’ve ever learnt in an academic year – the teaching and support has been amazing. I’ve really enjoyed the practical elements such as recording in the studio and learning how to use music software.”*

Ben completed work experience at Capital Sound in London, where he was involved in setting up equipment for major acts including Abba. Ben was pleased to receive an offer of full-time employment when he completes his the course.

**SOUND & MUSIC PRODUCTION**  
**UAL<sup>†</sup> LEVEL 2 DIPLOMA IN MUSIC PERFORMANCE & PRODUCTION 2 YEARS**

**Entry Requirements:** 5 GCSEs grade 9-3 (A\* – D) that include English and Maths or a Level 1 Diploma at Merit/ Distinction and GCSE English and Maths grade 9-3 (A\* – D).

**Assessment:** There are no exams and assessment is by coursework. Formative assessment will take place during projects in one-to-one and group tutorials, peer assessment and presentations. At the end of each project, a formal summative assessment and progress review will take place.

This course provides a grounding in the principles and practices of music performance and/or production. It offers exciting opportunities to learn techniques working in professional sound studios and Mac suites running Logic & Pro Tools. The programme serves as an introductory pathway to the Level 3 course

**TOPICS INCLUDE**

- Introduction to music performance and production
- Listening skills for music
- Music composition and sound design
- Research for music performance and Production
- Performance and production skills and practice
- Self-designed music project
- English and Maths (if not already achieved at GCSE grade 9-4/A\*-C)

**YOUR NEXT STEPS**

Achieving a merit or distinction may allow progression to further study at Level 3 or into employment in the creative industries.

**SOUND & MUSIC PRODUCTION**  
**UAL<sup>†</sup> LEVEL 3 EXTENDED DIPLOMA IN MUSIC PERFORMANCE & PRODUCTION 2 YEARS**

**168 UCAS Points (Grade D)**

**Entry Requirements:** 5 GCSEs grade 9-4 (A\*-C) including English and Maths; or Level 2 Diploma Merit/ Distinction and GCSEs grade 9-4 (A\*-C) in English and Maths.

**Assessment:** Portfolio of work.

The course is a vocational alternative to the A Level route and provides a thorough understanding of career opportunities within the sound and music industries. Learn a range of contemporary production techniques and gain the skills needed for progression to university level study or employment.

**TOPICS INCLUDE**

- Music production techniques
- Sequencing systems and software
- The sound and music industry
- Contemporary music history
- Synthesis and sound design
- Self directed final project

**YOUR NEXT STEPS**

This course is equivalent to three A Levels and will provide you with a pathway to further study at degree level at university or employment in the sound and music industry including: recording studios, radio stations, music management, film and television and any other areas of media that incorporates audio.

Alternatively this course can lead to further study across a range of Higher Education courses at ESC, such as the Sound & Music Production Certificate in Higher Education or Sound & Music Production FdA.

Neutral Ground is a platform designed by students for the celebration and promotion of their creative skills and talent.

All creative and business aspects of Neutral Ground are managed by students studying Art & Design, Sound & Music, Photography, Film & TV or Games Design at Reigate School of Art. The emphasis is on original material, collaboration and artist creation.

# HOW TO APPLY

We're delighted that you want to join East Surrey College. Check out our step-by-step guide to the application process.

Why not come to one of our Open Events to see the facilities, meet the tutors and ask any questions that you may have (see page 2 for details).

### APPLYING FOR A PLACE

Think about your personal ambitions, your abilities and your preferences. Have a good look through this guide and see what's on offer. Once you have found a subject you would love to study, visit [www.esc.ac.uk](http://www.esc.ac.uk) and search for your course of interest and click the 'Apply' button on the course. You will be taken to our online application form where you will need to register an account.

### ONCE YOU'VE APPLIED

#### Information, Advice & Guidance Interview

After applying, you'll be invited to the College for an Information, Advice and Guidance interview where we'll discuss all aspects of your chosen course.

### HOW TO FIND US

**WALKING //** The College is a 15-20 min walk from Redhill town centre.

**CYCLING //** Covered cycle racks are provided on-site.

**BY TRAIN //** Rail services to Brighton, Crawley, East Croydon, Gatwick Airport, Horsham, Reigate, Three Bridges and Tonbridge.

This is an important opportunity to ensure that this is the right course for you and for us to fully explain the details and requirements of the course.

### THE OFFER

If you're successful you'll be offered a conditional place which will be confirmed during enrolment when you provide your exam results. Adult students with appropriate qualifications are usually offered unconditional places.

### ENROLMENT

You'll be invited to enrol at the College in the summer. If you didn't do as well as you hoped in your exams – don't panic. We will work to offer you a more appropriate course, often leading to your first choice at a later date. If you did better than you expected, we will be able to discuss with you the option of progressing directly on to a higher level.

**BY BUS //** 357, 405 & 430 stop outside the College.

**DRIVING //** Easily accessible from the A217, M25 and M23. Free parking is available during the day on our Gatton South campus via Claremont Road. During the evenings and weekends parking is available at our Gatton North campus, the entrance to which is on London Road, (RH1 2JX).
